Motorway

All purpose
single carriageway
dual carriageway

Core National Routes

Toll Roads

Widening

Under construction
(Locations are illustrated and do not show accurate positioning)

In preparation
(Locations are illustrated and do not show accurate positioning)

Motorway junction

National Route colour corresponds to Area number spot - see list

Design, Build, Finance & Operate (DBFO)

0 60 kilometres
0 50 miles

County / Unitary Authority and Metropolitan District Boundary

The scheme information is taken from the network from the HAPMS database 4 June 2019.
All start of works is subject to the completion of statutory processes.
The symbol depicting widening schemes in preparation is NOT intended to indicate on which side or sides of the existing carriageway widening will take place.
The following abbreviations are used in some scheme names and descriptions:
Bp - Bypass Imp - Improvement, CSJ - Grade Separated Junction, Wdy - Widening, J - Junction, UIC - Under construction.
Information for roads in Wales and Scotland can be obtained from the Wales Office and Scottish Development Department respectively. Information for roads in London can be obtained from Transport for London (TfL).

Scheme included in Road Investment Strategy 2015 - 2020

Scheme under construction

Scheme due to start construction from 2020 onwards

Scheme under review
