Dear Mr Sharp

I am writing to you as Chair of LEAP Academy Trust to confirm closure of the Financial Notice to Improve (FNtI) relating to the financial management and governance of the trust.

Closure of the FNtI follows the closure of the Baverstock Academy and the trust's Funding Agreement termination on 31 August 2017.

The FNtI was originally issued on 13 November 2015 to the then Chair and was published on GOV.UK at:

<https://www.gov.uk/government/collections/academies-financial-notices-to-improve>

This closure notice will also be published alongside the original FNtI.

Yours sincerely
