

Annex A: Engagement by Sara Khan, Lead Commissioner for Countering Extremism September 2018 to September 2019

The Lead Commissioner for Countering Extremism has engaged widely, and we publish summaries of the meetings she has held. Our Terms of Reference document, published September 2018, includes a list of organisations she met between April and August 2018.¹

The list below covers meetings held in the period September 2018 to September 2019.

To respect data protection requirements, organisations' names are listed rather than individuals, except in the case of politicians. The Lead Commissioner also meets victims of extremism, young people, and other individuals without affiliation whose names are not listed. The Commissioner's engagement includes one-to-one meetings, workshops, conferences and group discussions during her visits across the country.
