A level maths and AS level statistics	£600	£600	£1,200
Cambridge International level 3 Pre-U Certificate in Mathematics	£600	£0	£600
A level maths and A level further maths	£1,200	£1,200	£2,400
A level maths and AS level further maths	£1,200	£600	£1,800

Note: A student will be counted twice in the same year only if studying both A level or AS level maths and further maths qualifications. Qualifications of 235 or above Guided Learning Hours for example an A level, count in both years providing the student is still studying the qualification in the second year. Qualifications under 235 Guided Learning Hours, for example core maths, will count in one year.
