the justice of the peace may by warrant authorise an enforcement officer to enter the premises, if need be by reasonable force.

(5) The regulator must consult such persons as it considers appropriate before publishing any guidance or revised guidance under this regulation.

(6) The regulator must have regard to the guidance or revised guidance in exercising its functions.

#### Additional guidance

## PART 2

### Stop Notices

#### Stop notices

**9.**—(1) The regulator may serve a stop notice on any person in a case falling within sub-paragraph (3) or (4).

(2) A “stop notice” is a notice prohibiting a person from carrying on an activity specified in the notice until the person has taken the steps specified in the notice.

(3) A case falling within this sub-paragraph is a case where the regulator reasonably believes that—

- (a) the person is carrying on the activity;
- (b) the activity as carried on by that person is causing, or presents a significant risk of causing, serious harm to the environment (including the health of animals); and
- (c) the activity as carried on by that person involves or is likely to involve the commission of an offence under Parts 2 to 4 of these Regulations.

(4) A case falling within this sub-paragraph is a case where the regulator reasonably believes that—

- (a) the person is likely to carry on the activity;
- (b) the activity as likely to be carried on by that person will cause, or will present a significant risk of causing, serious harm to the environment (including the health of animals); and
- (c) the activity as likely to be carried on by that person will involve or will be likely to involve the commission of an offence under Parts 2 to 4 of these Regulations.

(5) The steps referred to in sub-paragraph (2) must be steps to remove or reduce the harm or risk of harm to the environment (including the health of animals).

#### Contents of a stop notice

**10.** A stop notice must include information as to—

- (a) the grounds for serving the notice;
- (b) the steps the person must take to comply with the stop notice;
- (c) rights of appeal; and
- (d) the consequences of non-compliance.

#### Appeals against stop notices

**11.**—(1) The person on whom a stop notice is served may appeal against the decision to serve it.

(2) The grounds for appeal are—

- (a) that the decision was based on an error of fact;
- (b) that the decision was wrong in law;
- (c) that the decision was unreasonable;
- (d) that any step specified in the notice is unreasonable;
- (e) that the person has not committed the offence and would not have committed it had the stop notice not been served;
- (f) that the person would not, by reason of any defence, have been liable to be convicted of the offence had the stop notice not been served;
- (g) any other reason.

### **Completion certificates**

**12.**—(1) Where, after service of a stop notice, the regulator is satisfied that the person has taken the steps specified in the notice, the regulator must issue a certificate to that effect (“a completion certificate”).

(2) The stop notice ceases to have effect on the issue of a completion certificate.

(3) The person on whom the stop notice is served may at any time apply for a completion certificate.

(4) The regulator must make a decision as to whether to issue a completion certificate, and give written notice of the decision to the applicant, within 14 days of such an application.

### **Appeals against decision not to issue a completion certificate**

**13.** The person on whom the stop notice was served may appeal against a decision not to issue a completion certification on the grounds that the decision—

- (a) was based on an error of fact;
- (b) was wrong in law;
- (c) was unfair or unreasonable;
- (d) was wrong for any other reason.

### **Compensation**

**14.** The regulator must compensate a person for loss suffered as the result of the service of a stop notice or the refusal of a completion certificate if—

- (a) a stop notice is subsequently withdrawn or amended by the regulator because the decision to serve it was unreasonable or any step specified in the notice was unreasonable;
- (b) the person successfully appeals against the stop notice and the First-tier Tribunal finds that the service of the notice was unreasonable; or
- (c) the person successfully appeals against the refusal of a completion certificate and the First-tier Tribunal finds that the refusal was unreasonable.

### **Appeal against compensation decision**

**15.** A person may appeal against a decision not to award compensation or the amount of compensation awarded—

- (a) on the grounds that the regulator’s decision was unreasonable;
- (b) on the grounds that the amount offered was based on incorrect facts;
- (c) for any other reason.

### **Offence**

**16.**—(1) Where a person on whom a stop notice is served does not comply with it within the time limit specified in the notice, the person is guilty of an offence and liable—

- (b) on conviction on indictment, to imprisonment for a term not exceeding two years, or a fine, or both.

(2) In relation to an offence committed before section 154(1) of the Criminal Justice Act 2003<sup>(a)</sup> comes into force, the reference in sub-paragraph (1)(a) to twelve months is to be read as a reference to six months.

(a) 2003 c. 44.

## PART 3

### Enforcement Undertakings

#### **Enforcement undertakings**

17.—(1) The regulator may accept a written undertaking (an “enforcement undertaking”) given by a person in a case where the regulator has reasonable grounds to suspect that the person has committed an offence under Parts 2 to 4.

(2) For the purposes of this Part, an “enforcement undertaking” is a written undertaking to take such action as may be specified in the undertaking within such period as may be so specified.

#### **Contents of an enforcement undertaking**

18.—(1) An enforcement undertaking must specify—

- (a) action to secure the offence does not continue or recur;
- (b) action (including the payment of a sum of money) to benefit any person affected by the offence; or
- (c) action that will secure benefit to the environment equivalent to restoration of what has been, or is likely to have been, damaged or destroyed by the commission of the offence.

(2) It must specify the period within which the action must be completed.

(3) It must include—

- (a) a statement that the undertaking is made in accordance with this Schedule;
- (b) the terms of the undertaking; and
- (c) information as to how and when the person giving that undertaking is to be considered to have discharged the undertaking.

(4) The enforcement undertaking may be varied, or the period within which the action must be completed may be extended, if both parties agree in writing.

#### **Acceptance of an enforcement undertaking**

19. If the regulator has accepted an enforcement undertaking, then, unless the person from whom the undertaking is accepted has failed to comply with the undertaking or any part of it—

- (a) that person may not at any time be convicted of the offence in respect of the act or omission to which the undertaking relates; and
- (b) the regulator may not impose on that person a variable monetary penalty, a compliance notice or a stop notice in respect of that act or omission.

#### **Discharge of an enforcement undertaking**

20.—(1) If the regulator is satisfied that an enforcement undertaking has been complied with, it must issue a certificate to that effect.

(2) The regulator may require the person who has given the undertaking to provide sufficient information to determine that the undertaking has been complied with.

(3) The person who gave the undertaking may at any time apply for such a certificate.

(4) The regulator must decide whether to issue such a certificate, and give written notice of the decision to the applicant, within 14 days of such an application.

#### **Appeals against decision not to issue a certificate**

21. The person to whom the notice is given may appeal against a decision not to issue a certificate on the grounds that the decision—

- (a) was based on an error of fact;
- (b) was wrong in law;
- (c) was unfair or unreasonable;
- (d) was wrong for any other reason.

#### **Inaccurate, misleading or incomplete information**

22.—(1) A person who has given inaccurate, misleading or incomplete information in relation to an enforcement undertaking is to be taken not to have complied with it.

(2) The regulator may by notice in writing revoke a certificate issued under paragraph 20 if it was issued on the basis of inaccurate, misleading or incomplete information.

#### **Non-compliance with an enforcement undertaking**

23.—(1) If an enforcement undertaking is not complied with, the regulator may either—

- (a) serve a variable monetary penalty notice, compliance notice, non-compliance penalty or stop notice; or
- (b) bring criminal proceedings.

(2) If a person has complied partly but not fully with an enforcement undertaking, that partial compliance must be taken into account in the imposition of any criminal or other sanction on the person.

(3) Criminal proceedings for an offence to which an enforcement undertaking relates may be instituted at any time up to six months from the date on which the regulator notifies the person required to comply with that undertaking of that person's failure to do so.

## **PART 4**

### **Non-compliance penalties**

#### **Non-compliance penalties**

24.—(1) If a person fails to comply with a compliance notice or a third party undertaking, the regulator may serve a notice on that person imposing a monetary penalty (a “non-compliance penalty”) in respect of the same offence, irrespective of whether a variable monetary penalty was also imposed in respect of that offence.

(2) The amount of the penalty must be determined by the regulator, and must be a percentage of the costs of fulfilling the remaining requirements of the compliance notice or third party undertaking.

(3) The percentage must be determined by the regulator having regard to all the circumstances of the case and may, if appropriate, be 100%.

(4) The notice must include information as to—

- (a) the grounds for imposing the non-compliance penalty;
- (b) the amount to be paid;
- (c) how payment may be made;
- (d) the period in which payment must be made, which must not be less than 28 days;
- (e) the rights of appeal;
- (f) the consequences of failure to make payment in the specified period; and
- (g) any circumstances in which the regulator may reduce the amount of the penalty.

(5) If the requirements of the compliance notice are complied with or the third party undertaking is fulfilled before the time set for payment of the non-compliance penalty, the penalty is not payable.

### **Appeals against non-compliance penalties**

**25.**—(1) The person on whom the notice imposing the non-compliance penalty is served may appeal against it.

(2) The grounds of appeal are—

- (a) that the decision to serve the notice was based on an error of fact;
- (b) that the decision was wrong in law;
- (c) that the decision was unfair or unreasonable;
- (d) that the amount of the penalty was unreasonable;
- (e) any other reason.

## **PART 5**

### **Administration and Appeals**

#### **Withdrawing or amending a notice**

**26.** The regulator may at any time in writing—

- (a) withdraw a notice imposing a variable monetary penalty or a notice imposing a non-compliance penalty, or reduce the amount specified in the notice; or
- (b) withdraw a compliance notice or stop notice, or amend the steps specified, in order to reduce the amount of work necessary to comply with the notice.

#### **Enforcement cost recovery notices**

**27.**—(1) The regulator may serve a notice (an “enforcement cost recovery notice”) on a person on whom a relevant notice has been served requiring that person to pay the costs incurred by the regulator in relation to the imposition of the requirement imposed by the relevant notice up to the time of its imposition.

(2) In sub-paragraph (1), a “relevant notice” means a variable monetary penalty notice, compliance notice or stop notice.

(3) “Costs” include in particular—

- (a) investigation costs;
- (b) administration costs; and
- (c) costs of obtaining expert advice (including legal advice).

(4) The enforcement cost recovery notice must specify—

- (a) how payment may be made;
- (b) the amount required to be paid;
- (c) the period in which payment must be made, which must not be less than 28 days;
- (d) the grounds for imposing the notice;
- (e) the right of appeal; and
- (f) the consequences of a failure to comply with the notice in the specified period.

(5) The person on whom the notice is served may require the regulator to provide a detailed breakdown of the amount.

(6) The person required to pay costs is not liable to pay any costs shown by that person to have been unnecessarily incurred.

### **Appeals against enforcement cost recovery notices**

28. The person required to pay costs may appeal—
- (a) against the decision of the regulator to impose the requirement to pay costs;
  - (b) against the decision of the regulator as to the amount of those costs;
  - (c) for any other reason.

### **Power to recover payments**

29. The regulator may recover any variable monetary penalty or non-compliance penalty imposed under this Schedule, on the order of a court, as if payable under a court order.

### **Appeals: general provisions**

30.—(1) An appeal under paragraph 7, 11, 13, 15, 21, 25 or 28 of this Schedule is to the First-tier Tribunal.

(2) All notices (other than stop notices) are suspended pending the determination or withdrawal of the appeal.

(3) The First-tier Tribunal may, in relation to the imposition of a requirement or service of a notice under this Schedule—

- (a) withdraw the requirement or notice;
- (b) confirm the requirement or notice;
- (c) vary the requirement or notice;
- (d) take such steps as the regulator could have taken in relation to the act or omission giving rise to the requirement or notice; or
- (e) remit the decision whether to confirm the requirement or notice, or any matter relating to that decision, to the regulator.

### **EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

These Regulations, which apply in relation to England, prohibit persons from supplying or offering to supply certain plastic items in the course of a business. The prohibitions apply from the coming into force of these Regulations, except for the prohibition of the supply of drinks products with single use plastic straws attached to their packaging, which applies from 3rd July 2021.

Part 2 prohibits the supply of single-use plastic straws to the end user, subject to certain exceptions. The exceptions include the supply of straws by registered pharmacies, the supply of straws by a catering establishment together with food or drink for immediate consumption, and the supply of straws which are medical devices or are for use for medical purposes. Part 2 also prohibits the supply of drinks products with single use plastic straws attached to their packaging.

Part 3 prohibits the supply of single-use plastic stemmed cotton buds to the end user, other than for medical, forensic or scientific purposes.

Part 4 prohibits the supply of plastic drink stirrers.

Breach of these prohibitions is an offence (regulations 4, 10 and 14).

A civil sanctions regime is also introduced to enable the regulator to impose a range of civil sanctions (regulation 18 and the Schedule). These are variable monetary penalties, compliance notices, stop notices and enforcement undertakings. The Regulations make provision for the procedure relating to these sanctions and the available appeal mechanisms. Failure to comply with a stop notice is an offence (paragraph 16 of the Schedule). All appeals relating to a civil sanction are to the First-tier Tribunal.

Regulations 17 and 19 provide for enforcement officers to have powers of entry to carry out the necessary investigations in order to determine whether an offence has been committed.

Regulation 20 provides for the publication of information on enforcement action taken by the regulator, and regulations 21 and 22 provide that guidance relating to the use of civil sanctions must be prepared and consulted on and specify information to be included in such guidance. Regulation 22 contains provision for review of the Regulations.

Regulators are able to recover the costs of enforcement (paragraph 27 of the Schedule) in the case of variable monetary penalties, compliance notices and stop notices.

These Regulations were notified in draft to the European Commission in accordance with Directive (EU) 2015/1535 of the European Parliament and of the Council laying down a procedure for the provision of information in the field of technical regulations and of rules on Information Society services (OJ No. L 241, 17.9.2015, p. 1).

A full impact assessment of the effect that these Regulations will have on the costs of business and the voluntary sectors is available from the Waste Team at the Department for Environment, Food and Rural Affairs, Nobel House, 17 Smith Square, London SW1P 3JR, and is also available together with these Regulations at [www.legislation.gov.uk](http://www.legislation.gov.uk).
