FARMERS AND FOOD PRODUCERS

**You need to
take new steps
to export meat
and dairy to the
EU in a no-deal
scenario**

Check what you need to do by following this process.

Learn more at [gov.uk/brexit](https://www.gov.uk/brexit)

Start

This process takes less than an hour to register and up to three days to process

N

Y

2.0
Check you have applied for your premises to be listed with the EU

Allow at least 6 weeks for this process

N

2.1

Apply to register your establishment via your local authority and FSA. Further guidance can be found on this [FSA page](#)

Y

4.0
Is your good a composite product?

Y

N

6.0
Arrange an EHC inspection visit with your OV or equivalent

The OV can only certify your consignment up to 7 days before export

Key

Exporter Importer

These steps could cost you money

These steps could take more than two weeks

These steps should take less than three days

Out of date - see GOV.UK for latest information

7.0

Receive your completed and signed EHC.
Your certifier may need to send a copy to the UK competent authority and you should check if your EU importer also needs a copy.

9.0

Have you labelled your goods correctly?

N

Y

10.0

Your goods must enter the EU through the correct **BIP**.
Check to see the route your goods must take

11.0

Your EU importer now needs to submit a pre-notification on TRACES and upload the EHC

12.0

Complete an export customs declaration via your export agent or do it **yourself**

13.0

Your EU importer also needs to complete an import customs declaration on the EU Customs platform and they need to ensure that they have an EU EORI number

14.0

Send your goods to the EU along with the original EHC

15.0

Goods arrive at the EU BIP where they are checked

If your goods have failed inspection they can then be transformed, re-exported or destroyed

If your goods pass inspection they will then be released to your EU importer

Glossary

- EHC** Export Health Certificate
- BIP** Border Inspection Post
- OV** Official Veterinarian
- FSA** Food Standards Agency
