Please note: As stated in the October 2019 DMG amendment package we are no longer providing amendment packages ('remove & insert pages') for each DMG Volume. This summary of changes document does, however, inform the user of the significant changes that have taken place in each **amended** chapter by volume. The page footers on each page also continue to show the volume, amendment number and date.

From June 2020 page footers will no longer appear. This is because the DMG chapters on GOV.UK will be produced from the Department's 'Intranet version' of the DMG. This is an internet based product and as such there are no 'book' pages and associated footers.
