Dear

**Freedom of Information Request
Termination of Amey access rights to Areas 6 and 8 information systems**

Thank you for your email of 11 February 2020 requesting confirmation of the date when Amey staff had their access rights terminated to the Area 6 and 8 information systems.

I refer you to my response to your earlier request for information of 2 October 2019 when I confirmed that Amey had never had access to any of Highways England's databases for the purpose of handling and managing Green Claims. That remains the case.

The statement in your request refers specifically to time sheets. Time sheets kept by Amey staff will have been kept on Amey owned and operated databases and information systems. When the contract with Amey terminated on 31 March 2017, those staff that wished to, transferred their employment rights to Kier Highways Limited on 1 April 2017 under TUPE regulations. As new employees of Kier, they will have lost any access to Amey databases and information on the date of contract termination.

If you are unhappy with the way we have handled your request you may ask for an internal review. Our internal review process is available at:

<https://www.gov.uk/government/organisations/highways-england/about/complaints-procedure>

If you require a print copy, please phone our Customer Contact Centre on 0300 123 5000; or email info@highwaysengland.co.uk. You should contact me if you wish to complain.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:
