Dear ██████████,

**RE: Request for Information – RFI2888**

Thank you for your recent email, which was processed under the Freedom of Information Act 2000 (FOIA).  
For clarification, you requested the following information:

*Can I ask that I be supplied with a list of each and every Endowment extended since 6, November, 2008, which has been calculated using a 3.5% discount rate, with the date the dowry was extended, the amount of the facility, to whom the Endowment was given and its purpose.*

We wrote to you to ask for further clarification in relation to your request, and you provided the following clarification:

*I am asking for a list of Endowments that have been 'granted,' 'sanctioned,' 'approved' during the period mentioned in my request.*

**Response**

We can confirm that we do hold some recorded information that falls within the scope of your request. This is provided as Annex A.

The purpose of each endowment is the same; to enable the future responsibility for an asset to be placed with another organisation which is better suited to managing it in the long term.

It should be noted that the information that has been provided relates to endowments that have been “granted”, “sanctioned” or “approved”, but that these endowments have not necessarily been ‘paid’ or ‘entered into’.

**Right to Appeal**

If you are not happy with the information that has been provided or the way in which your request has been handled you may request an internal review by writing to;
