Income from land and property abroad

If you have income from furnished holiday accommodation in a European Economic Area (EEA) country, please enter the details on page UKP 1 of the 'UK property' pages, not on the 'Foreign' pages – please read the notes.

If you have overseas let properties in more than one country, or if any foreign tax has been taken off, take a copy of these pages and fill in the 'Income and expenses' section and the 'Calculating profits and losses for tax purposes' section for each let property.

If you only have one overseas let property, or you have more than one but they are all in the same country, you can just complete these pages. Fill in one summary section for all the properties.
