Legal Requirements at Sporting Events

- **Carriage of passengers to designated Sporting Events Voluntary Guidelines - England and Wales**

For many years the coach industry has complied with a voluntary code of practice whereby operators taking passengers to a designated sporting event meet certain guidelines set by the police. This has worked very well, and it has seldom been necessary for a traffic commissioner to take any further action against an operator who has contravened the guidelines. Nevertheless the police in England and Wales are concerned that incidents of football related violence and disorder do still occur, and have asked the commissioners to revise the guidelines. This has been done in conjunction with the Confederation of Passenger Transport (CPT), the Crown Prosecution Service (CPS), the Coach Operators Federation (COF) and the Association of Transport Coordinating Officers (ATCO). The relevant sections of the legislation are set out at the end of this guidance note.

Carriage of passengers to designated Sporting Events Voluntary Guidelines - England and Wales

PSV operators are reminded of the terms of section 1(1) of the Sporting Events (Control of Alcohol) Act 1985, as amended by the Public Order Act 1986, which prohibits the carriage of alcohol on a PSV that is being used for the principal purpose of carrying passengers for the whole or part of a journey to or from a designated sporting event.

PSV operators are reminded of the terms of section 2A of the Sporting Events (Control of Alcohol) Act 1985, as amended by the Public Order Act 1986, which prohibits the possession of a firework or an article or substance, whose main purpose is the emission of a flare, smoke or a visible gas, at any time during the period of, while entering or trying to enter a designated sporting event.

A 'designated sporting event' generally means any association football match, whether national or international. The full legal definition of the different classes of designated sporting events may be found in the Sports Grounds and Sporting Events (Designation) (Amendment) Order 2011, under Article 2(1) and 2(2) of Schedule 2.

It is an offence for an operator of a PSV (or his servant or agent) to knowingly cause or permit the carriage of alcohol on journeys to which these Regulations apply.

In addition to these statutory provisions, the police have asked that operators comply with the following guidelines when conveying passengers to such sporting events:

a. Coach operators taking bookings from groups of supporters are to notify the police liaison officer at the destination, at least 48 hours before the event, of the number of supporters expected to travel, the number of coaches booked, the name and the contact number for the person who made the booking. Once available the operator must also notify the VRM and coach drivers name to the local police liaison officer.

b. Coaches are not to stop within 10 miles of the venue either en route to or on departure from the event unless prior agreement is obtained from the local police liaison officer.

c. Unless directed by a police officer, coaches may stop at premises where intoxicating liquor is sold only if it is sold ancillary to a substantial meal. Prior agreement for meal stops where alcohol is available should be sought from the operator's local police liaison officer.

d. Coaches are to arrive at the venue no earlier than two hours before and not later than one hour before the scheduled start of the game, unless otherwise directed by police.

e. Coaches are not to set down or uplift passengers at any unauthorised locations without prior permission of the police.

f. Coaches must leave the venue within 30 minutes of the finish of the event, unless directed otherwise by a police officer or ground safety officer.

g. Intoxicating liquor, flares and similar pyrotechnics, must not be carried on coaches travelling to or from designated grounds. Operators will draw hirers' attention to the requirements of the law, and drivers shall, as far as reasonably practical, supervise boarding passengers and check that they are not obviously carrying intoxicating

alcohol, flares and similar pyrotechnics. Drivers will not be expected to carry out baggage or body searches, nor will they be expected to confiscate alcohol or to remove passengers without police assistance. Operators may add a condition of entry to the PSV that a voluntary search may be undertaken.

h. Coach operators are to notify the police liaison officer at the destination upon arrival at an away football ground, of any racist, homophobic or similar chanting, which had taken place during the journey to the ground

Operators are expected to comply with these guidelines on a voluntary basis. However if the police inform the Traffic Commissioner of any failure on an operator's part to comply with them the Commissioner will be likely to apply them as a formal condition to that operator's licence under the authority of Section 16(3) of the Public Passenger Vehicles Act.

Section 2 – PSV Operator Licensing

Inspection of licence applications can be requested under the provisions of Regulation 4 of the Public Service Vehicles (Operators' Licences) Regulations 1995 by anybody who holds statutory Objector status. Applications may be inspected free of charge at the Office of the Traffic Commissioner in Leeds by any person who carries written authorisation to act in that capacity.

Objections against applications for licences must be made in writing by a Chief Officer of Police or by a local authority within 21 days of the date on which notice of an application is published in Notices and Proceedings. Objections must be made on the grounds that one or more of the requirements mentioned in Sections 14(1) and (3) of the Public Passenger Vehicles Act 1981 are not satisfied in relation to the application. A copy of the objection must be sent by the objector to the applicant at the same time that it is sent to the Traffic Commissioner. The onus of proof in terms of the grounds on which an objection is lodged lies with the objector. There is no right of objection against an application for a special licence submitted under Section 12 of the Transport Act 1985.

Classification of Operator Licences – There are four classes of licence:

- A **Standard International (SI)** licence authorises the use of any description of public service vehicle on both national and international operations;
- A **Standard National (SN)** licence authorises the use of any description of public service vehicle on national operations;
- A **Restricted licence (R)** authorises the use of:
 - a) public service vehicles not adapted to carry more than eight passengers; and
 - b) those not adapted to carry more than sixteen passengers when used otherwise than in the course of a business of carrying passengers or by a person whose main occupation is not the operation of public service vehicles adapted to carry more than eight passengers;
- A **Special Restricted (SR)** licence, issued under Section 12 of the Transport Act 1985, authorises the holder of a taxi or private hire vehicle licence to operate local services.

Appeals in connection with PSV Operator Licences must be lodged with the Upper Tribunal – Administrative Appeal Chamber (Transport), 5th Floor, Rolls Building, 7 Rolls Buildings, Fetter Lane, London, EC4A 1NL not later than one month after the date of the letter conveying the Traffic Commissioner's (or Deputy Traffic Commissioner's) decision. Appellants can obtain guidance on lodging appeals, including downloading the appeal form, from the website: www.administrativeappeals.tribunals.gov.uk
