**Section 2 – Emerging trends, risks and justifications for any target(s) currently not being met**

Where applicable, provide a detailed explanation why any target(s) from any of the objectives are below the projections. Write a separate analysis for each objective that is underperforming.

What remedial actions are you taking to resolve this underperformance? Again write a separate analysis for each objective that is underperforming.

Are there any emerging risks that could potentially threaten delivery of the project?

What are the main successes, achievements and milestones delivered during this reporting period?

Have there been any changes in key members of staff that could have an impact on delivery of the project? If so please provide details of who has moved on, how they have been replaced and the impact this has had to the delivery of the project.

Any other comments and observations you wish to add about the delivery and performance of your project.
