

The First-tier Tribunal (Immigration and Asylum Chamber) w/c 13 July 2020

If you have lodged an appeal with the tribunal a notice containing instructions on the next steps in your case will be sent to you. We are working through the cases in priority and date order and you should wait until we contact you. Where a face to face hearing is necessary appeals will be listed when it is safe to do so in line with risk assessments carried out at each hearing centre. Bail applications will be prioritised and where a hearing is required, these will be listed to take place by telephone or video. Please do not call us unless your enquiry is urgent. Users are advised to contact the relevant hearing centre on the email addresses below until further notice.
