

Application to surrender an environmental permit Part RSR-E2 – Surrendering a radioactive substances activity permit, including standard rules permit (sealed sources and radioactive waste sealed sources)

Environment
Agency

Please read through this part of the form and the part RSR-E2 guidance notes before you fill it in.

It should take less than two hours to fill in this form.

Fill in this part of the form, together with parts RSR-A and RSR-F, if you are applying to surrender all or part of an existing permit for a radioactive substances activity involving sealed sources and/or radioactive waste.

Surrender includes reducing the size of the premises where sources are used.

Contents

- 1 About the permit
- 2 About partial surrender
- 3 How to contact us

When filled in, the application form is marked 'OFFICIAL SENSITIVE' in accordance with the Government Protective Marking Scheme. The unauthorised disclosure of the information it contains could facilitate the commission of serious crime – in particular by terrorists. It is for use only by those people within your organisation who need reasonable access to it, to ensure compliance with the conditions of the permit, and trusted contacts who advise you – such as your Radiation Protection Adviser/Radioactive Waste Adviser.

- Do not copy it to other parties without consulting the Environment Agency.
- Lock it in a secure cabinet or container when it is not in use.
- Make those who access it aware of the marking and the need to protect the information from unauthorised disclosure and loss.
- If you move it around, use a sealed envelope and do not mark the envelope 'OFFICIAL SENSITIVE'.
- If you post it, use 'Royal Mail special delivery guaranteed'.
- You should safeguard electronic copies of the data against unauthorised access. You should not email it.
