Dear colleague

Invitation to Energy Codes Review workshops in February 2019

Government and Ofgem have launched a review into the codes which govern our energy system. We would like to invite you to attend a workshop on the code review, which we will hold at BEIS Conference Centre, 1 Victoria Street, Westminster, London, SW1H 0ET. Please respond to codereform@beis.gov.uk by Wednesday 16 January to secure your place. We will circulate an agenda in due course, but we currently expect the workshop to start at 11am and end at 4pm. For information, on the scope of the review please see the [Terms of Reference for the review](#).¹

We are holding two workshops that will be identical in content. We will try to accommodate all requests for attendance, but depending on the level of interest, we may need to restrict attendance to one or two per organisation.

Please can you respond once per organisation (providing names and job titles) and indicate which of the following dates you are able to attend. The proposed dates are:

- Monday 4 February
- Monday 18 February

We are also planning to hold a webinar for those who are unable to attend the workshops. The content will be based on the workshop material. We are planning to host the webinar the week starting the 25th February, please register your interest for the webinar with codereform@beis.gov.uk by Wednesday 16 January.

If you would like any more information, please email codereform@beis.gov.uk.

Yours sincerely

Alena Fielding
Head of Industry Governance
BEIS

Lesley Nugent
Head of Industry Codes and Licensing
Ofgem
