

The following information has been supplied by the Greek Aliens Bureau:

It is obligatory for all EU nationals to apply for a “**Registration Certificate**” (Veveosi Engrafis - Βεβαίωση Εγγραφής) after they have spent 3 months in Greece (Directive 2004/38/EC). **This requirement also applies to UK nationals during the transition period.** This certificate is open-ended. You only need to renew it if your circumstances change e.g. if you had registered as unemployed and you have now found employment.

Below we outline some of the required documents for the most common cases. Please refer to the local Police Authorities for information on the regulations for **freelancers, domestic employment** and **students**. You should submit your application and required documents at your local Aliens Police (Tmima Allodapon – Τμήμα Αλλοδαπών, *for addresses, contact telephone and opening hours see end*); if you live outside Athens go to the local police station closest to your residence. In all cases, **original documents and photocopies** are required. **You should approach the Greek Authorities for detailed information on the documents required or further clarification. Please note that some authorities work by appointment and will request that you book an appointment in advance.**
