

Under 10m North Sea Cod

Available quota and total uptake

Monthly uptake by year

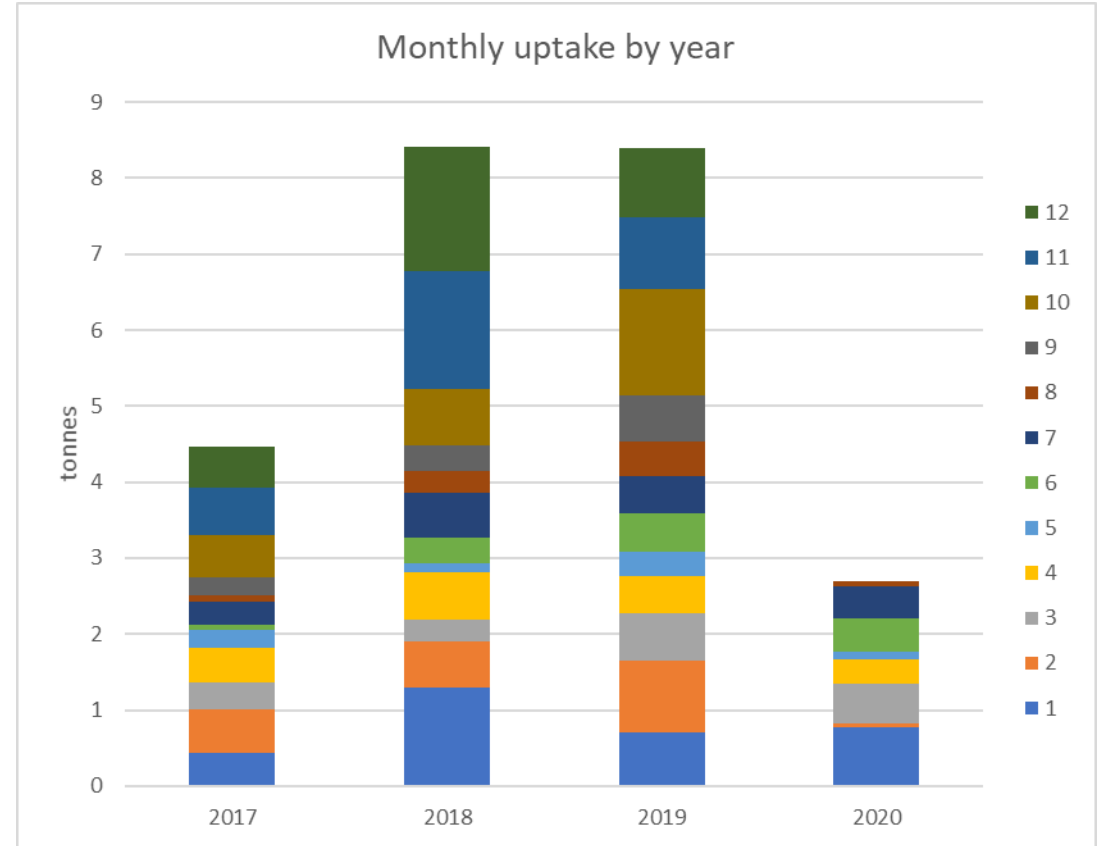

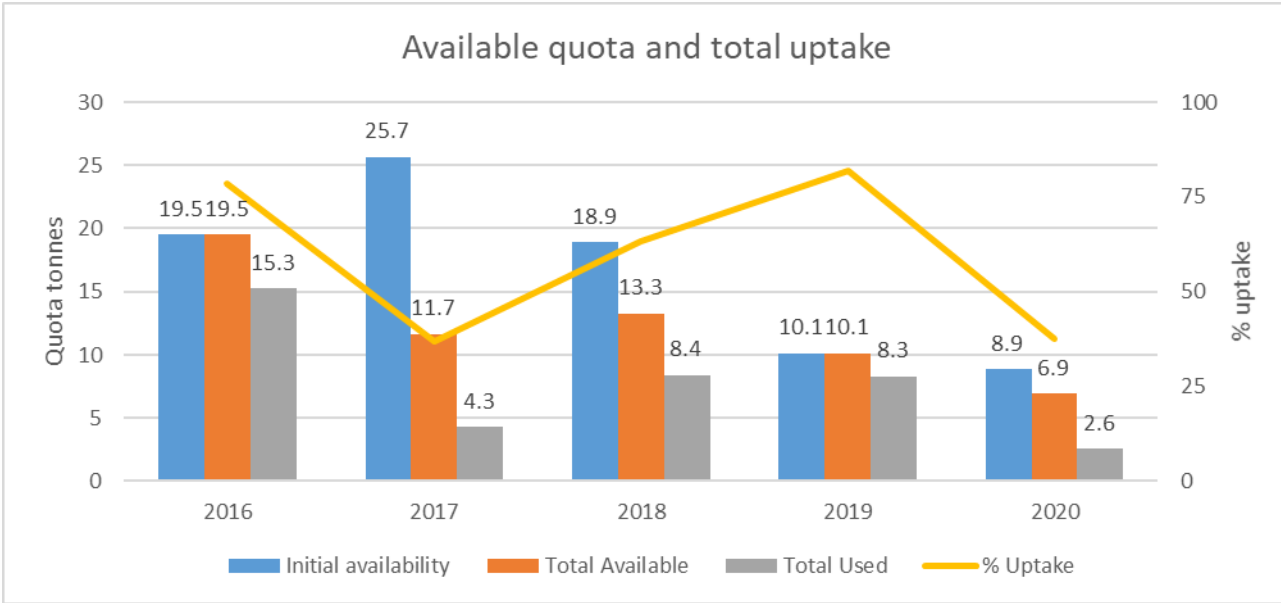

Maximum monthly uptake to date was 800kg in April this year compared to 1.3 in February last year.

Catch limit currently 1t please advise if increase in catch limit required.

Current uptake is 14t compared to 26t at this point last year.

41t remaining this year, I anticipate only 20t of this may be caught.

Over 10m North Sea Cod

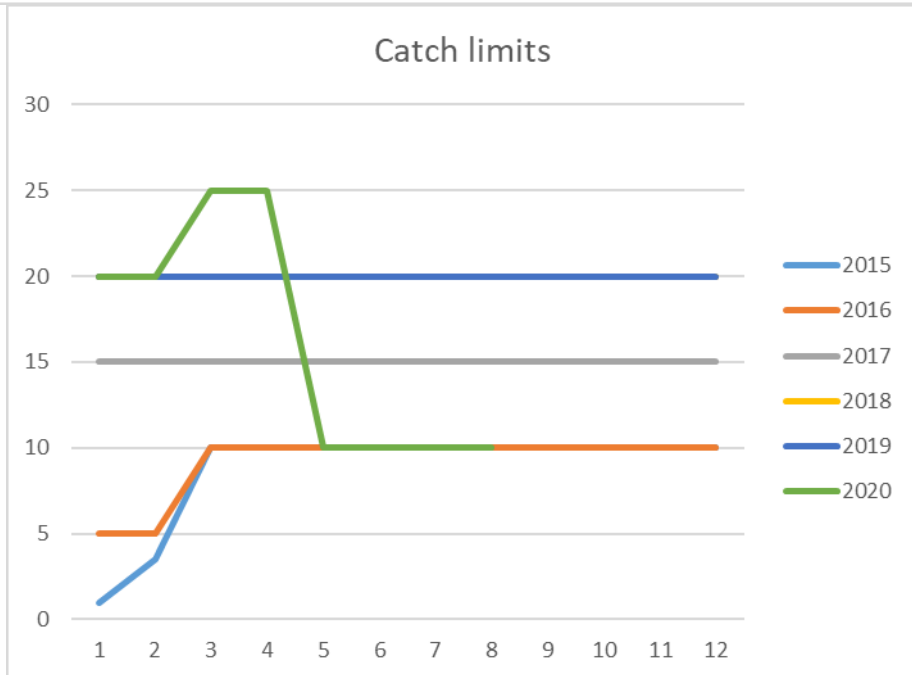

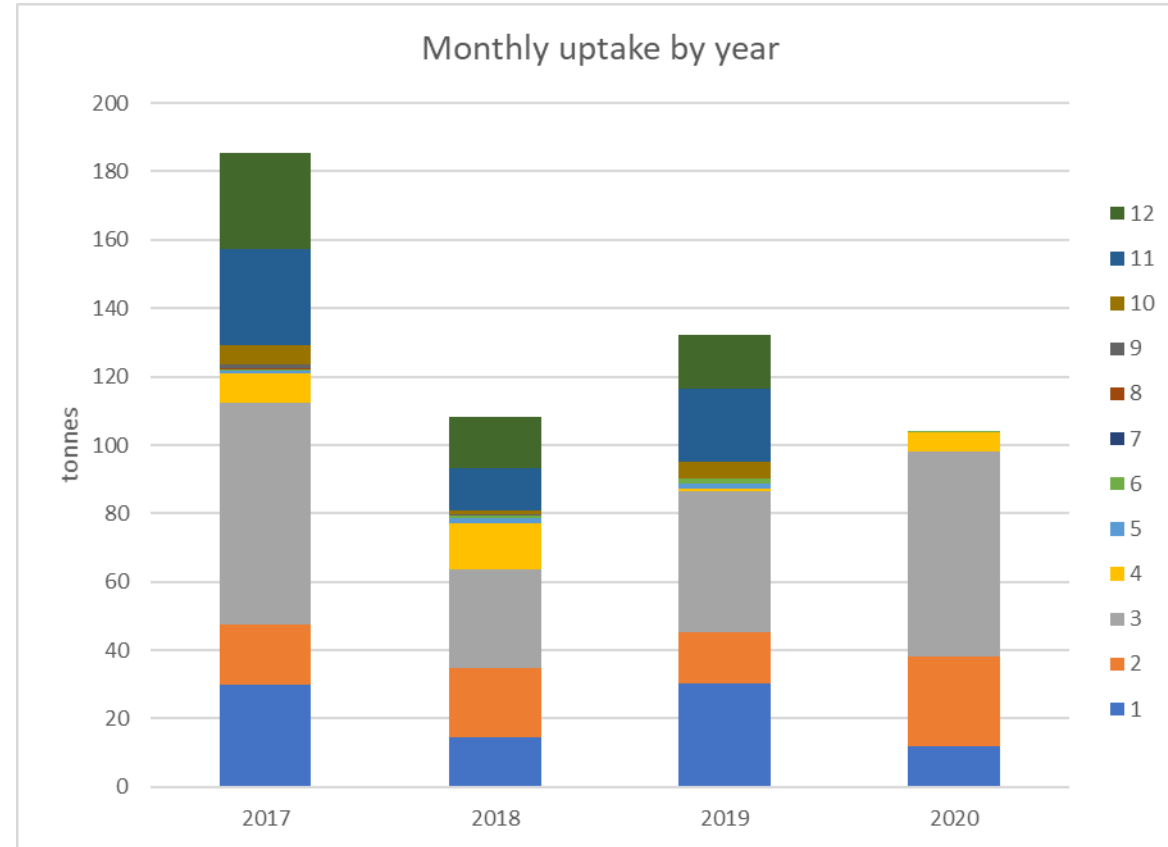

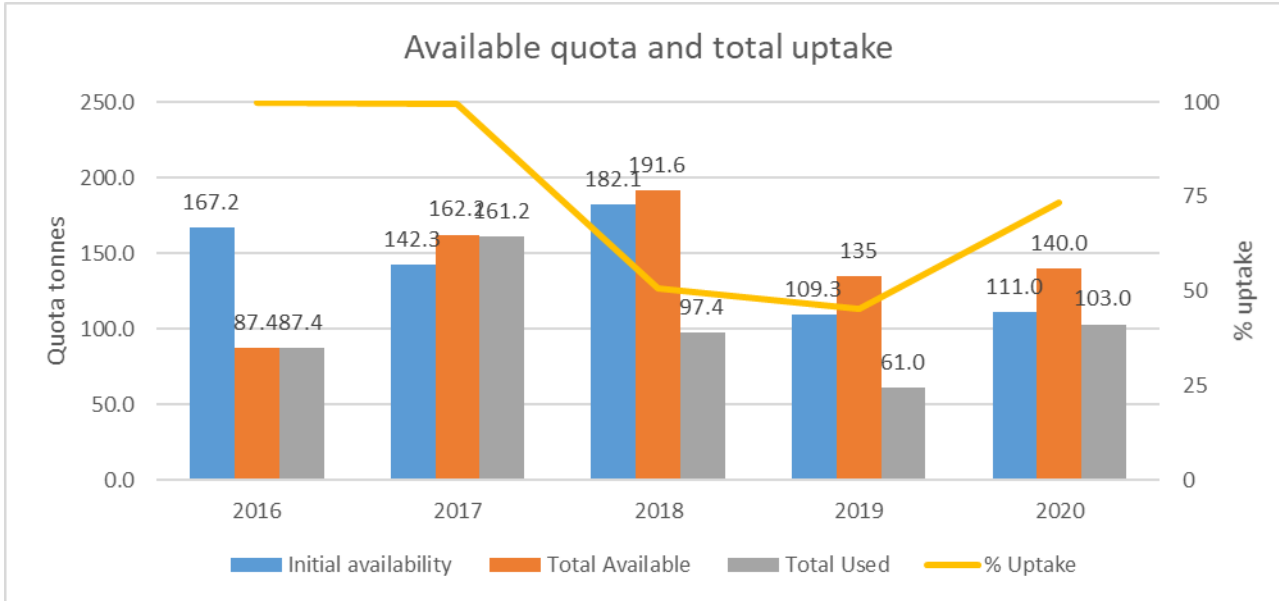

Maximum monthly uptake to date was 250kg in January this year compared to 450kg in January last year.

Catch limit currently 1t please advise if increase in catch limit required.

3.5t remaining for the year but more can be traded in if required.

Under 10m IVc VIId Herring

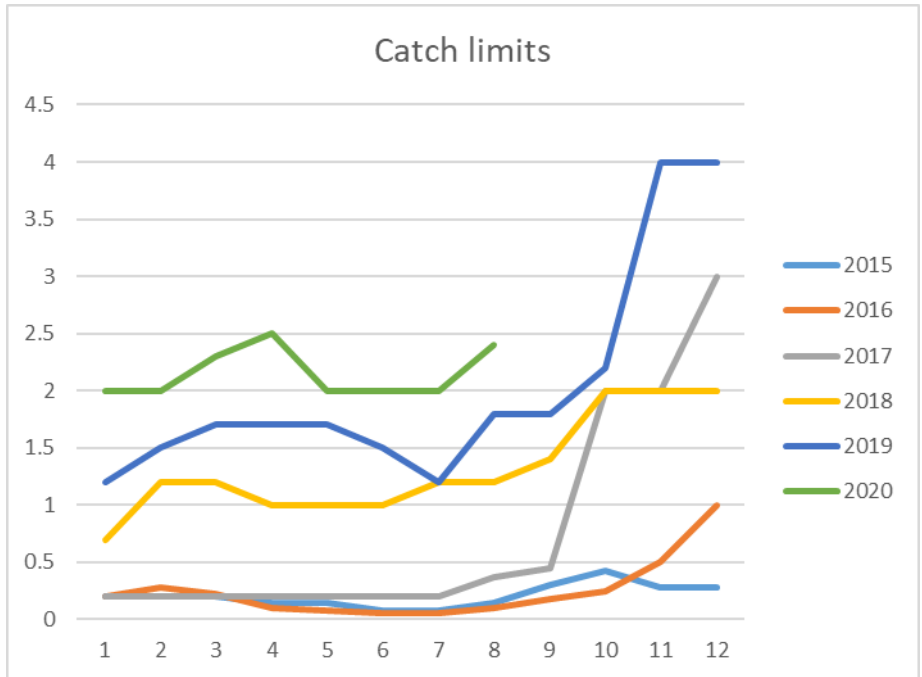

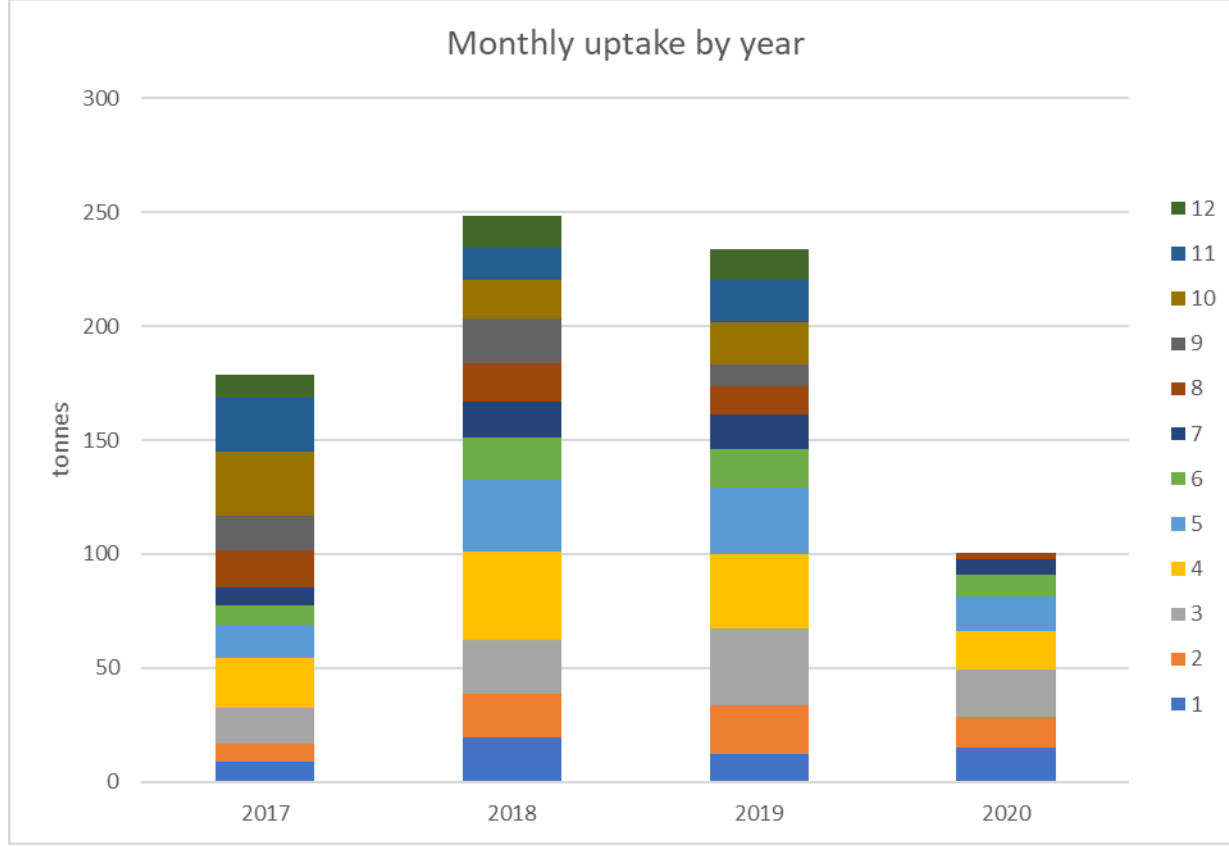

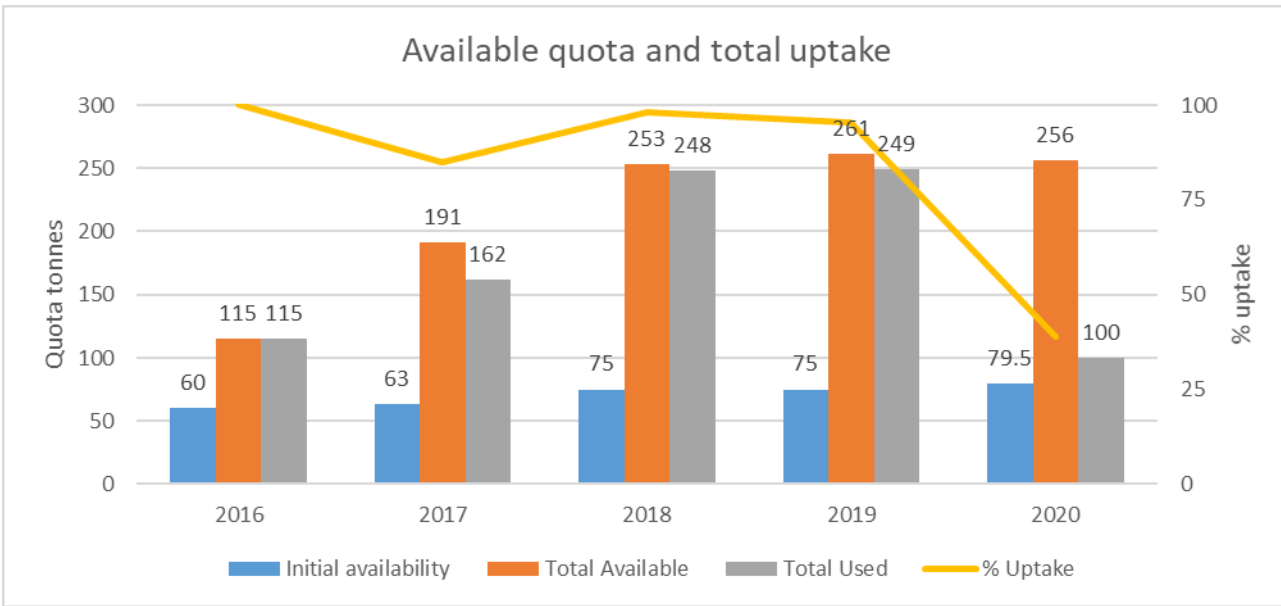

Catch limits have been reduced for summer but will be increased again in October/November or at your request.

I have agreed a swap that will bring in an additional 100t

What catch limit would you like to see this winter?

How many vessels do you think will access this?

Under 10m NS Skate

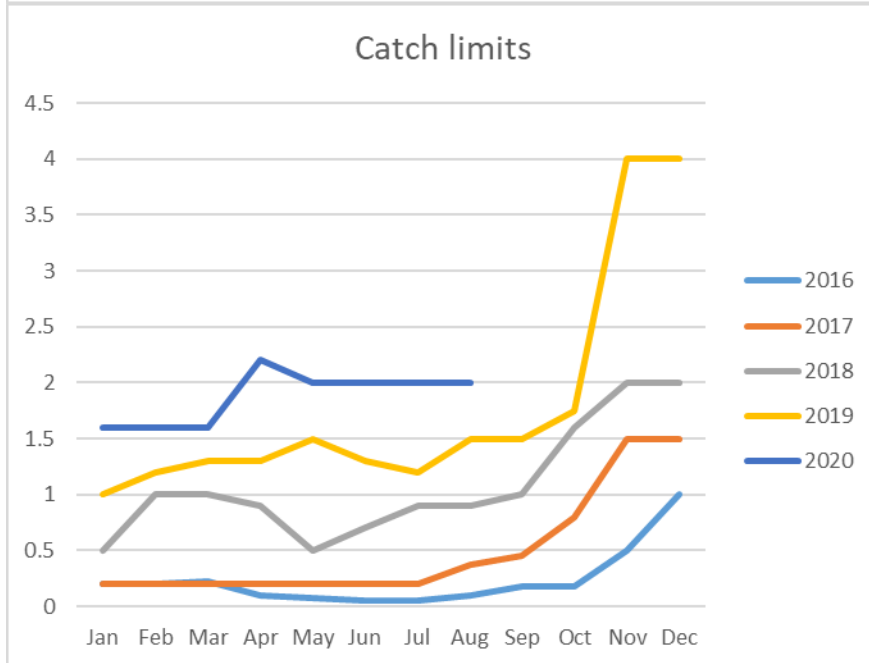

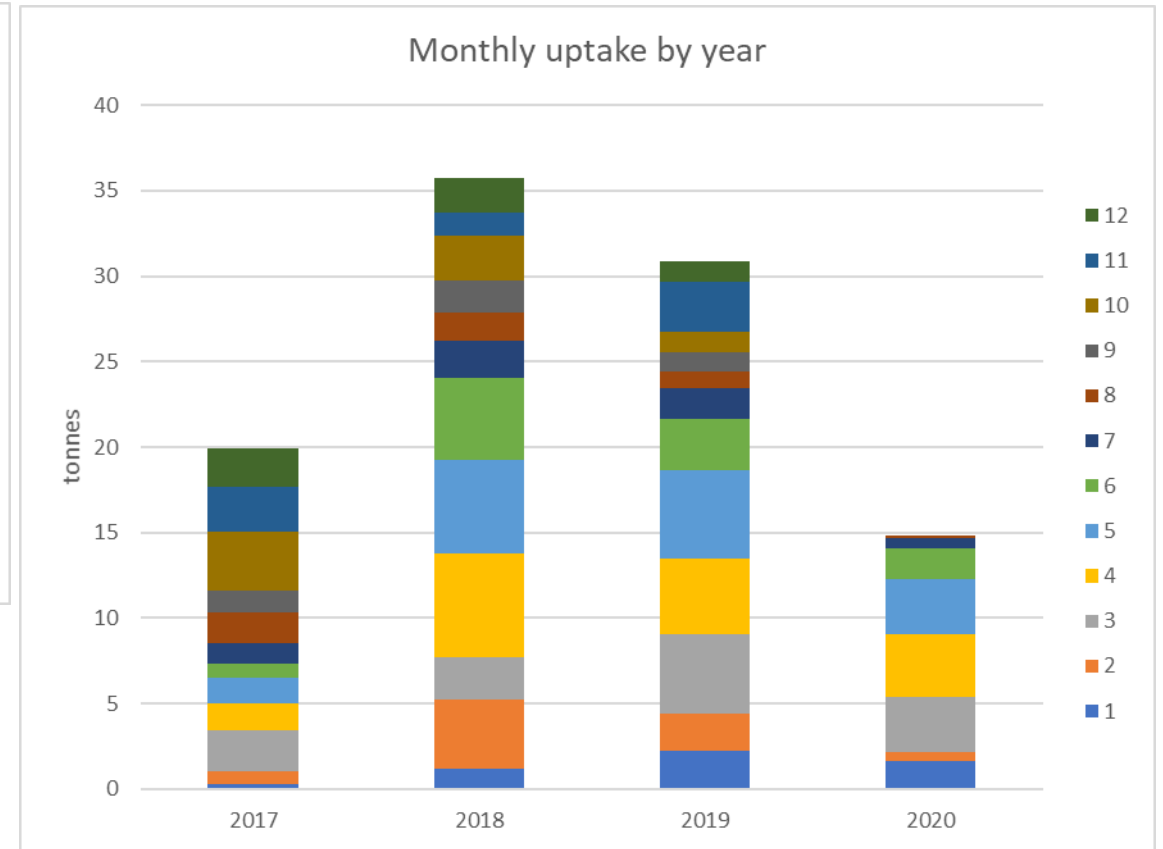

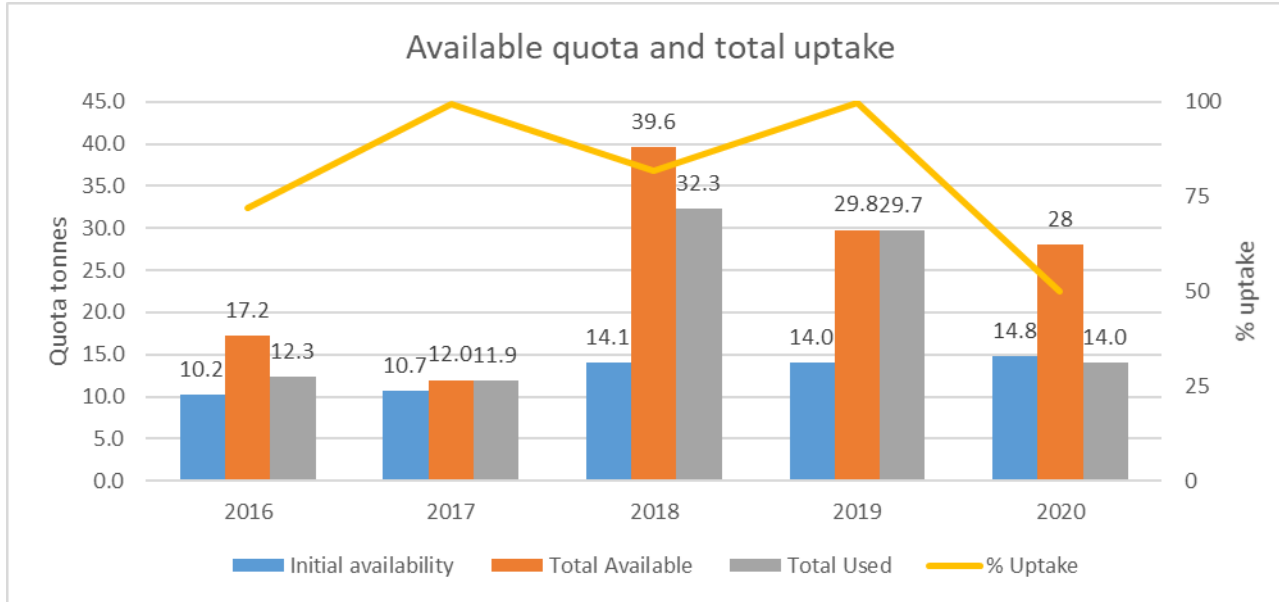

Uptake is 100t compared 170t at this point last year.

Maximum monthly uptake this year was 2.5t in January. August max uptake to date is 1.1t. The catch limit is 2.4t and can be increased if necessary.

UK uptake is 30% with 700t remaining.

Over 10m NS Skate

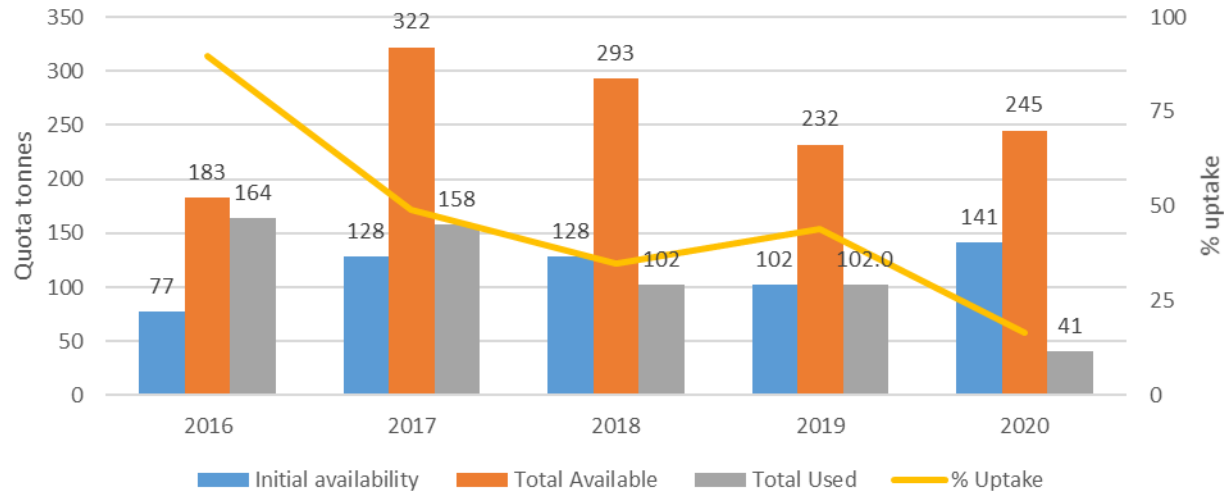

Maximum monthly uptake this year is 1.3t.

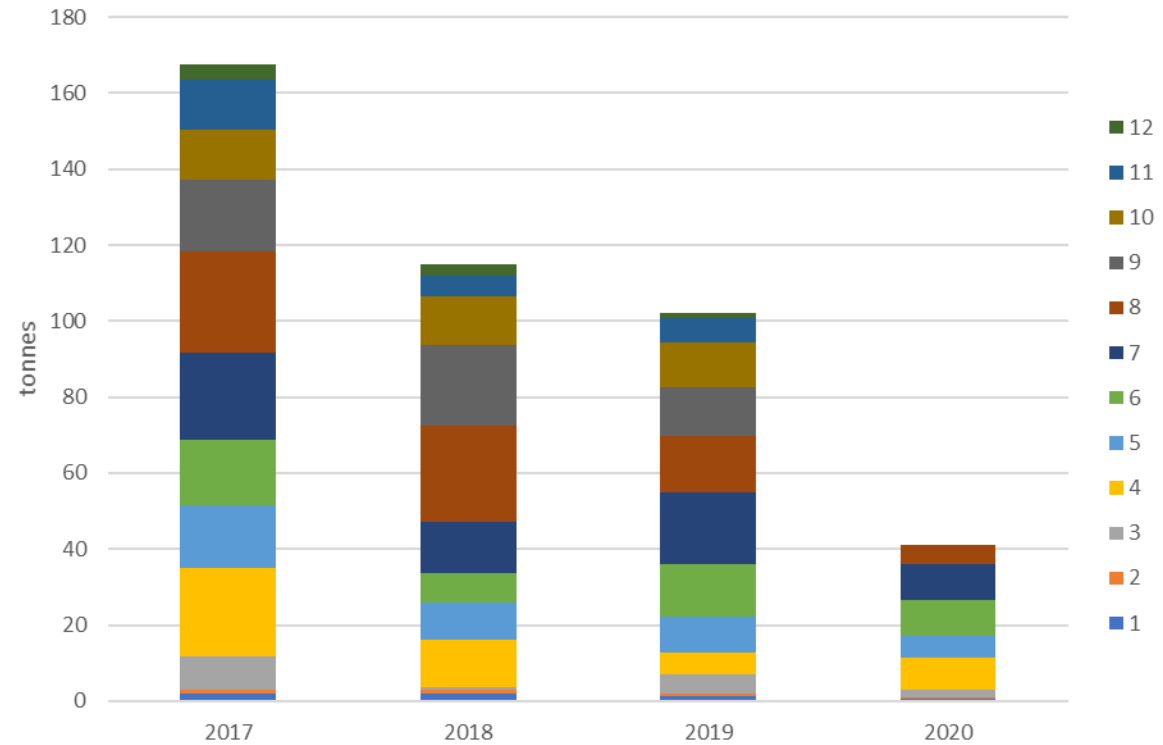

Catch limit is currently 2t and can be increased with more quota accessed if needed.

Under 10m NS Sole

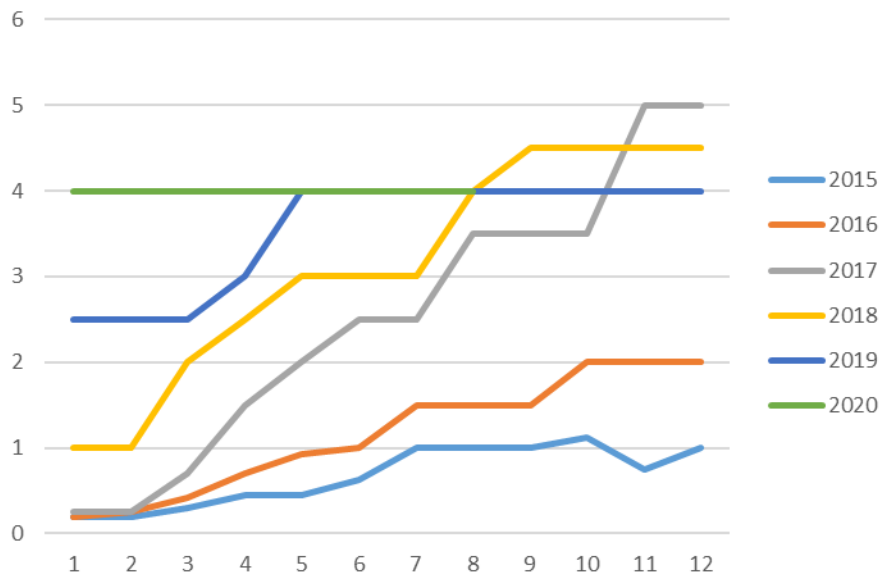

Available quota and total uptake

Monthly uptake by year

Catch limits

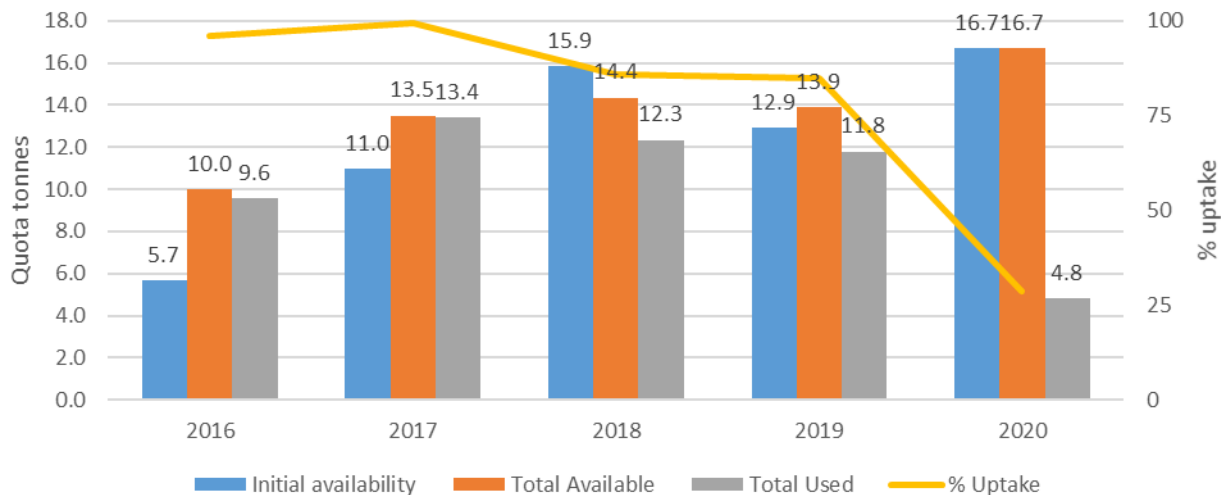

Uptake is currently 40t compared to 60t at this point last year.

Maximum monthly catch this year is 1.3t compared to catch limit of 4t.

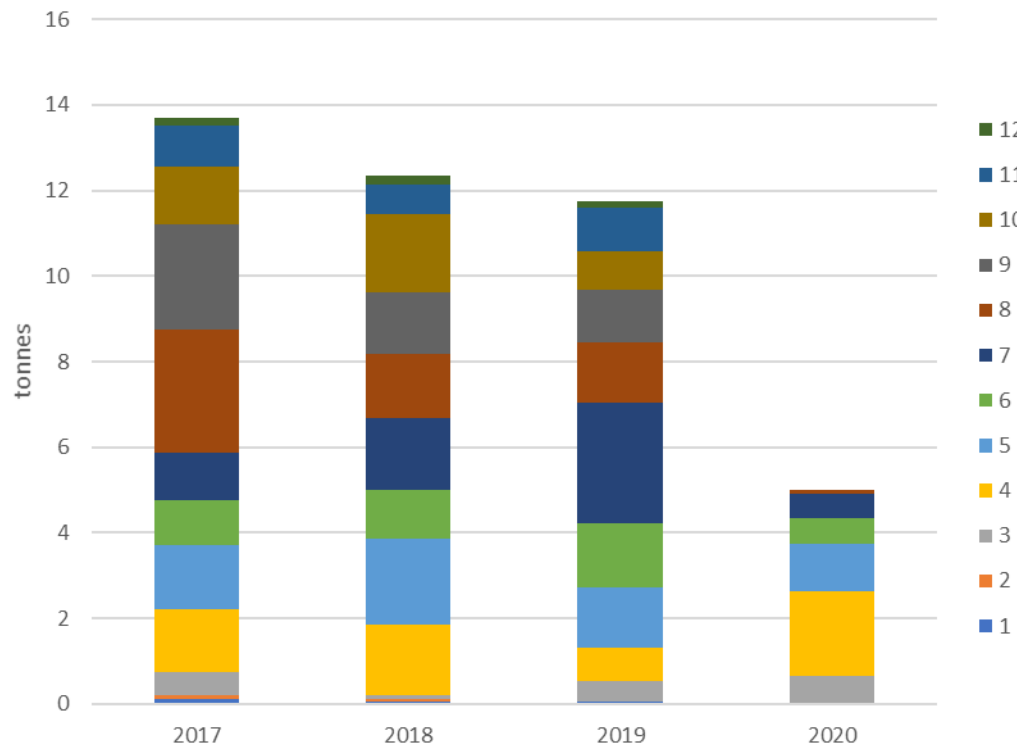

Ample quota.

Over 10m NS Sole

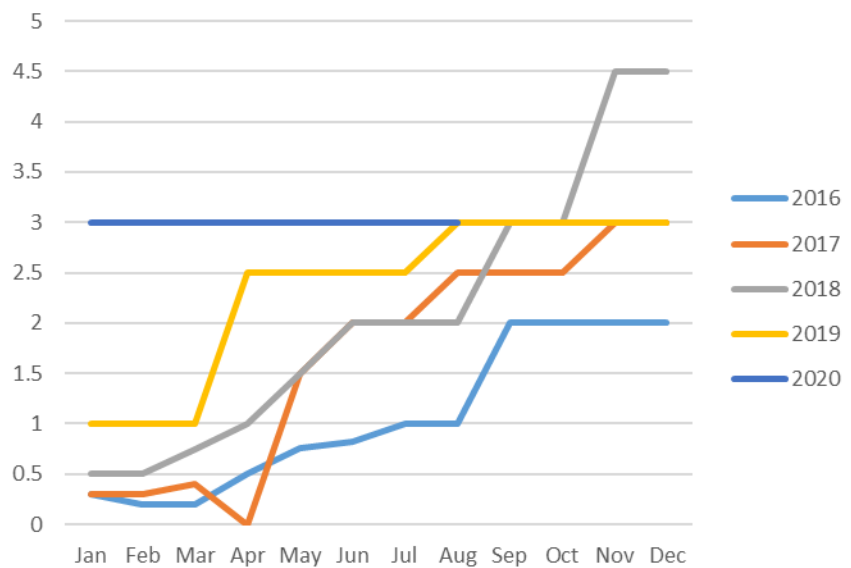

Available quota and total uptake

Monthly uptake by year

Catch limits

Maximum monthly catch is 1.1t compared to a catch limit of 3t.

Uptake is ~30% but more quota can be traded in if needed.

Under 10m NS Sprats

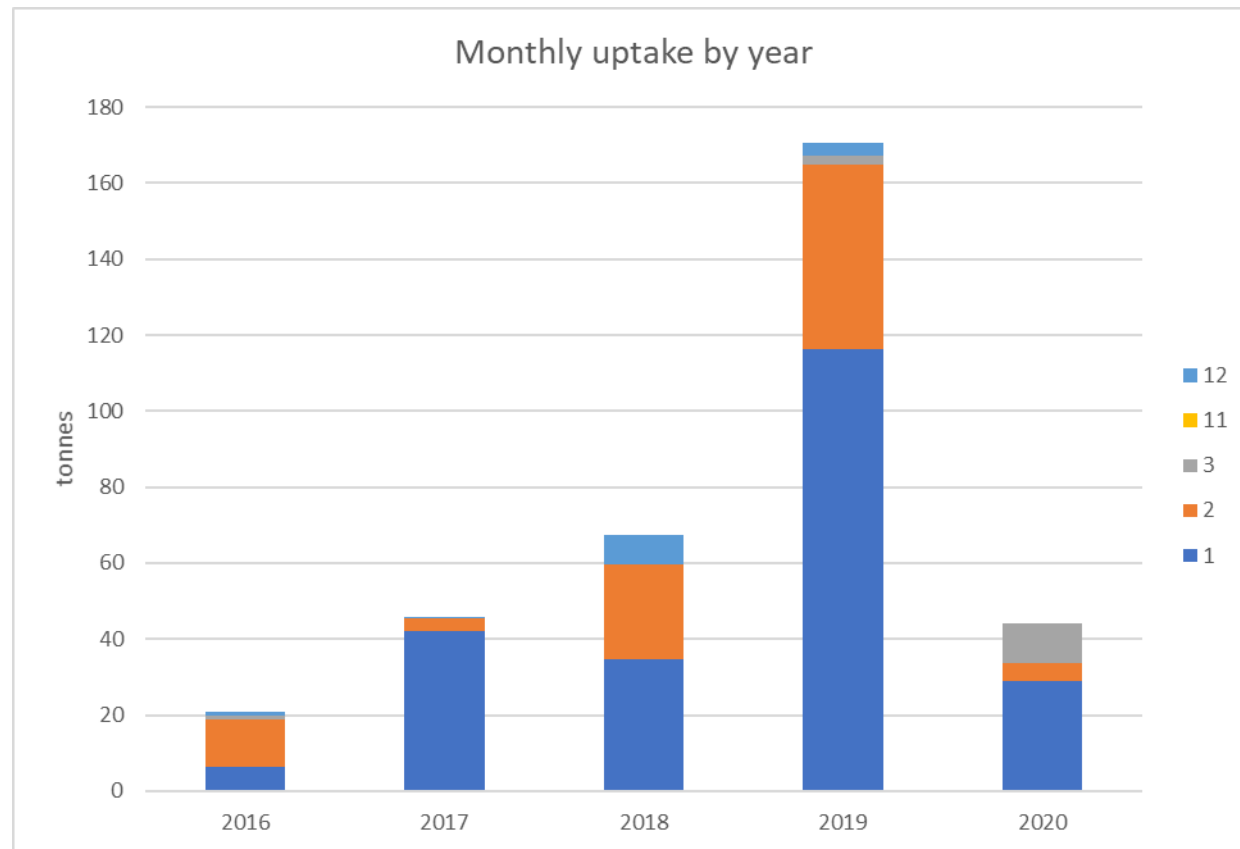

Quota runs July to June.

Uptake July 2019 to June 2020 = 47t. No uptake yet for 2020-21 quota.

There are 168t available for July 2020 – June 2021 compared to an uptake of 167t July 2018-June 2019.

Catch limits are currently 10t per week.

I am trying to source more quota to allow an increase in catch limit for Jan/Feb 2021.
