

# REGISTER OF STUDENT SPONSORS

Home Office Date: 29-October-2020

## Register of Licensed Sponsors

This is a list of institutions licensed to sponsor migrants under the Student route of the points-based system. It shows the sponsor's name, their primary location, their sponsor type, the location of any additional centres being operated (including centres which have been recognised by the Home Office as being embedded colleges), the rating of their licence against each route (Student and/or Child Student) they are licensed for, and whether the sponsor is subject to an action plan to help ensure immigration compliance. Legacy sponsors cannot sponsor any new students. For further information about the Student route of the points-based system, please refer to the guidance for sponsors in the Student route on the GOV.UK website.
