

Appendix B: East Midlands

Revocation of saved structure plan policies

County level structure plans were abolished under the Planning and Compulsory Purchase Act 2004, but the policies in them remained in force for a transitional period. In 2007 the Government wrote to local planning authorities to advise them which policies from their existing structure plans would be saved after 27 September 2007. This Appendix lists the one saved structure plan policy for the East Midlands together with an assessment of whether the policy is still relevant or whether it has been superseded.
