

APPENDIX C: *East Midlands* - Existing adopted Local Plans and saved policies

Introduction

In the East Midlands there are 41 local authorities with adopted Local Plans. Development plan documents which were adopted shortly before the date of publication of the Regional Spatial Strategy in March 2009 will have been prepared in parallel with preparation of the Regional Strategy, and so are likely to have anticipated and may have reflected its policies. For the purposes of preparing this Environmental Report it has been assumed that only development plan documents adopted during 2009 or afterwards are in general conformity. On this basis 13 local authorities have core strategies in place which are in general conformity with both the requirements of the 2004 Planning and Compulsory Purchase Act and the policies set out within the East Midlands Plan. Twenty eight authorities in the region have Local Plans at different stages of development, with adopted plans put in place before the East Midlands Plan was adopted in May 2008 and therefore not necessarily in general conformity with the regional policies

There are 10 mineral and waste authorities. Some are working together to prepare minerals and waste policies under a single plan or core strategy, others are working individually and have separate minerals and waste policies, and one authority includes minerals and waste policies form part of its wider Core Strategy. Of the 12 (in total) plans covering minerals and waste policies, 6 are in general conformity with the policies set out within the East Midlands Plan since they were adopted after March 2009 or shortly beforehand and 6 which were adopted well before March 2009 and therefore not necessarily in general conformity with the regional plan.

These Plans would form part of the Development Plan in the absence of the Revoked Regional Strategy.

Table 1 shows a summary of the housing, gypsy & traveller sites, renewables, and employment policies/targets within the East Midlands Plan and those in local authority plans adopted before the East Midlands Plan was adopted.

Table 2 presents a summary of the Mineral and Waste policies/targets within the East Midlands Plan and those in mineral and waste plans adopted before the East Midlands Plan was adopted.

Appendix C - SEA of Revocation of East Midlands Regional Strategy

Appendix C - SEA of Revocation of East Midlands Regional Strategy

Table 1

	Planning Authority	Current status ¹	Other relevant policies ²	East Midlands Plan Provision/Targets ³	Local authority adopted Plan Provision/Targets	
1	Amber Valley District Council	Amber Valley Local Plan (2006) Saved policies.		HOUSING PROVISION	No current Local Plan provision for new housing. No annual breakdown of housing targets	
				Policy 13a Annual apportionment from 2006 = 510 Total Housing Provision 2006-2026 = 10,200		
				GYPSY & TRAVELLER PITCHES		
				Minimal additional pitch requirements 2007-2012 taking account of the need arising from future growth beyond 2012 Additional requirement = 1		No current Local Plan provision for G+T pitches
				RENEWABLES		
Policy 40 requires LPAs to develop policies and proposals to achieve indicative targets for renewable energy set out in Appendix 5. These targets are: 2010 GWh/y = 1400 2010 MWe = 324 2020 GWh/y = 5138 2020 MWe = 3671 2026 GWh/y = 5214 2026 MWe = 3683 There is no target set for individual Local Planning authorities.	No reference to regional renewable targets					

¹ Including where saved policies from earlier Local Plans remain in place, pending approval of the core strategy

² Includes other near complete development plan documents

³ Housing Provision - Minimum dwelling provision 2001 to 2021 (less already built to Mar 06) = still to be built

Appendix C - SEA of Revocation of East Midlands Regional Strategy

	Planning Authority	Current status ¹	Other relevant policies ²	East Midlands Plan Provision/Targets ³	Local authority adopted Plan Provision/Targets
				EMPLOYMENT LAND	
				No target set for individual local authorities: Local Authorities, the East Midlands Development Agency and sub-regional strategic partnerships should work together in housing market area groupings to undertake and keep up to date employment land reviews to inform the allocation of a range of sites at sustainable locations.	Specific employment sites are covered in Local Plan, no direct link with the number of jobs this will provide.
2	Ashfield District Council	Ashfield Local Plan (2002) Saved policies.		HOUSING PROVISION Policy 13a Annual apportionment from 2006 = 560 Total Housing Provision 2006-2026 =11,200	No specific housing target in saved policies, but potential sites identified. No annual breakdown of housing targets.
				GYPSY & TRAVELLER PITCHES Minimal additional pitch requirements 2007-2012 Local Plans will need to take account of the need arising from future growth beyond 2012 Additional requirement = 8	No current Local Plan provision for G+T pitches
				RENEWABLES See policy requirement for Amber Valley (above)	Under environmental objectives in Local Plan - To consider the role of renewable energy schemes and to encourage more energy efficient forms of development. Policy EV18 - development of renewable energy sources will be permitted where there would be no adverse effect individually or cumulatively on: a) the character or appearance of the area; or, b) areas of natural, cultural, historic or

Appendix C - SEA of Revocation of East Midlands Regional Strategy

	Planning Authority	Current status ¹	Other relevant policies ²	East Midlands Plan Provision/Targets ³	Local authority adopted Plan Provision/Targets
					archaeological interest c) the amenities of nearby residents or the operation of other established uses in the vicinity No renewable energy targets in the Local Plan.
				EMPLOYMENT LAND	
				See policy requirement for Amber Valley above	No direct link with the number of jobs this will provide is available. Plan requires 199.8ha of new land required Dec 2000 to 2011
3	Bassetlaw District Council	Core Strategy adopted Dec 2011	Bassetlaw Local Plan (2001) Saved policies.	HOUSING PROVISION Policy 13a Annual apportionment from 2006 = 350 Total Housing Provision 2006-2026 = 7,000	Policies CS1-CS9 of the Core Strategy (covering the plan period 2010 to 2028) identifies and sets targets for 8 settlement areas to meet the RSS housing target, plus an additional amount to reflect the longer plan period. No annual breakdown of housing targets.
				GYPSY & TRAVELLER PITCHES	
				Minimal additional pitch requirements 2007-2012 Local Plans will need to take account of the need arising from future growth beyond 2012 Additional requirement = 25 (plus 18 transit pitches)	Policy DM6, Gypsies, Travellers and Travelling Showpeople states Land to accommodate the District's residual pitch requirement will be allocated in the Site Allocations DPD. Monitoring indicators - target in CS states an additional 15 permanent sites and 23 additional transit pitches delivered by 2026.
				RENEWABLES	
				See policy requirement for Amber Valley above	Policy DM10 - The Council will be supportive of proposals that seek to utilise renewable and low carbon energy to minimise CO2 emissions. NO

Appendix C - SEA of Revocation of East Midlands Regional Strategy

	Planning Authority	Current status ¹	Other relevant policies ²	East Midlands Plan Provision/Targets ³	Local authority adopted Plan Provision/Targets
					targets for renewable energy
				EMPLOYMENT LAND	
				See policy requirement for Amber Valley above	No direct link with the number of jobs this will provide is available. Policies CS1-CS9 identify 8 settlement areas identified in CS and target set for each settlement.. ..
4	Blaby District Council	Blaby Local Plan (1999) Saved policies.	Core Strategy published Jan 2012	HOUSING PROVISION	
				Policy 13a Annual apportionment from 2006 = 380 Total Housing Provision 2006-2026 = 7,600	No current Local Plan provision for new housing. No annual breakdown of housing targets.
				GYPSY & TRAVELLER PITCHES	
				Minimal additional pitch requirements 2007-2012 taking account of the need arising from future growth beyond 2012	No specific target for permanent and transit gypsy caravan sites.
				Additional requirement = 13 (plus 5 transit pitches and 1 plot for showpeople)	
				RENEWABLES	
				See policy requirement for Amber Valley (above)	No policy
EMPLOYMENT					
				See policy requirement for Amber Valley (above)	Primary employment areas identified on proposal map, will be protected. No direct link with the number of jobs this will provide is available.
5	Bolsover District Council	Bolsover Local Plan (2000) Saved policies.		HOUSING PROVISION	
				Annual apportionment from 2006 = 400 Total Housing Provision 2006-2026 = 8,000	No specific housing target in saved policies although plan still allocates sites. No annual breakdown of housing targets.
				GYPSY & TRAVELLER PITCHES	
				Minimal additional pitch requirements 2007-2012 taking account of the need arising from future	<u>HOU 15 SITES FOR GYPSIES AND TRAVELLERS</u> - planning permission will be granted

Appendix C - SEA of Revocation of East Midlands Regional Strategy

	Planning Authority	Current status ¹	Other relevant policies ²	East Midlands Plan Provision/Targets ³	Local authority adopted Plan Provision/Targets	
6	Boston Borough Council	Boston Borough Local Plan (1999) Saved policies		growth beyond 2012 Additional requirement = 1	for new gypsy and traveller caravan sites if there is an identified need. No figures/targets provided.	
				RENEWABLES		
				See policy requirement for Amber Valley (above)	No reference to renewable targets	
				EMPLOYMENT		
				See policy requirement for Amber Valley (above)	The Local Plan provides for over 115 hectares of employment land, and policies EMP1-3 set out the key sites. No direct link to number of jobs this will provide is available.	
				HOUSING PROVISION		
				Policy 13a Annual apportionment from 2006 = 270 Total Housing Provision 2006-2026 = 2,700	No specific housing target in saved policies, but these policies allocate specific sites for development.. No annual breakdown of housing targets.	
GYPSY & TRAVELLER PITCHES				Minimal additional pitch requirements 2007-2012 taking account of the need arising from future growth beyond 2012 Additional requirement = 6	No current Local Plan provision for Gypsy and Traveller pitches	
RENEWABLES				See policy requirement for Amber Valley (above)	Policies ED11 states that planning permission grant for development that will provide a renewable energy source, provided criteria met. No specific renewable energy target	
EMPLOYMENT				See policy requirement for Amber Valley (above)	Policies ED1-5 and ED7-8 refer to sites on the proposals map which might or might not be acceptable for new industrial or commercial	

Appendix C - SEA of Revocation of East Midlands Regional Strategy

	Planning Authority	Current status ¹	Other relevant policies ²	East Midlands Plan Provision/Targets ³	Local authority adopted Plan Provision/Targets
					Development, or extensions to existing Buildings, subject to meeting certain criteria. No direct link with the number of jobs this will provide is available.
7	Broxtowe Borough Council	Broxtowe Local Plan (2004) Saved policies.	Broxtowe Core Strategy published Jun 2012	HOUSING PROVISION	
				Policy 13a Annual apportionment from 2006 = 340 Total Housing Provision 2006-2026 = 6,800	No specific housing target in saved policies but policies H1 and H2 allocate housing sites and phasing criteria. No annual breakdown of housing targets.
				GYPSY & TRAVELLER PITCHES	
				Minimal additional pitch requirements 2007-2012 taking account of the need arising from future growth beyond 2012 Additional requirement = 2	Policy H13 provides criteria on the suitability of proposed Gypsy and Travellers sites. No figures provided.
				RENEWABLES	
				See policy requirement for Amber Valley (above)	Policy E25 - Planning permission will be granted for developments which incorporate renewable energy techniques, subject o meeting certain criteria. No specific renewables target set.
				EMPLOYMENT	
See policy requirement for Amber Valley (above)	No direct link with the number of jobs this will provide is available. Polices EM1-3 identify sites and set criteria for development of new and existing sites for employment uses. The Local Plan identifies 44.8 hectares of new land.				
8	Charnwood Borough Council	Charnwood Local Plan (2004) Saved		HOUSING PROVISION	
				Policy 13a Annual apportionment from 2006 = 790	No specific housing target but saved Policies H/1 and H/2 sets out sites for new housing allocations.

Appendix C - SEA of Revocation of East Midlands Regional Strategy

	Planning Authority	Current status ¹	Other relevant policies ²	East Midlands Plan Provision/Targets ³	Local authority adopted Plan Provision/Targets
		policies		Total Housing Provision 2006-2026 = 15,800	No annual breakdown of housing targets.
				GYPSY & TRAVELLER PITCHES	
				Minimal additional pitch requirements 2007-2012 taking account of the need arising from future growth beyond 2012	Policy H/9 and H/10 refer to determination of planning applications for gypsy sites and for travelling showpeople sites. No specific target.
				Additional requirement = 9 (plus 5 transit pitches and 4 plots for showpeople)	
				RENEWABLES	
				See policy requirement for Amber Valley (above)	Policy EV/41 Planning permission will be granted for development for renewable energy schemes provided criteria met. No specific renewable energy targets.
				EMPLOYMENT	
				See policy requirement for Amber Valley (above)	No direct link with the number of jobs this will provide is available. Policy E5 identifies 50ha of new sites to meet the overall Local Plan need for employment land.
9	Chesterfield Borough Council	Replacement Chesterfield Local Plan (June 2006)	Core Strategy published Feb 2012	HOUSING PROVISION	
				Policy 13a Annual apportionment from 2006 = 380 Total Housing Provision 2006-2026 = 7,600	Policy HSN 1 identifies sites to help meet the anticipated housing need of 7,115 dwellings for the period 1991-2016. No annual breakdown of housing targets.
				GYPSY & TRAVELLER PITCHES	
				Minimal additional pitch requirements 2007-2012 taking account of the need arising from future growth beyond 2012	Policy hsn8 contains no specific targets but allows development subject to meeting certain criteria.

Appendix C - SEA of Revocation of East Midlands Regional Strategy

	Planning Authority	Current status ¹	Other relevant policies ²	East Midlands Plan Provision/Targets ³	Local authority adopted Plan Provision/Targets
				Additional requirement = 0	
				RENEWABLES	
				See policy requirement for Amber Valley (above)	Policy EVR22 contains no specific reference to renewable energy targets.
				EMPLOYMENT	
				See policy requirement for Amber Valley (above)	Policies EMP1-4 identifies sites to meet the former Structure Plan target of 137.5 hectares of land for the period 1991-2016. No direct link with the number of jobs this will provide is available.
10	Corby Borough Council	North Northamptonshire Core Strategy adopted Jun 2008	Corby Local Plan (1997) Saved policies.	HOUSING PROVISION	
				Annual apportionment from 2006 = 965 Total Housing Provision 2006-2026 = 19,300	Policy 7: Delivering Housing of the Core Strategy requires Development Plan Documents to make provision of 16,800 dwellings for the period 2001-2021. No annual breakdown of housing targets.
				GYPSY & TRAVELLER PITCHES	
				Minimal additional pitch requirements 2007-2012 taking account of the need arising from future growth beyond 2012 Additional requirement = 1 (plus 3 transit pitches)	Policy 17: Gypsies and Travellers –Where a need is identified for additional accommodation for gypsies, travellers or travelling show people, planning permission may be granted, or site allocations proposed, when specified criteria are met. No specific target.
				RENEWABLES	
				See policy requirement for Amber Valley (above)	Policy 14: Energy Efficiency and Sustainable Construction requires development should meet the highest viable standards of resource and energy efficiency and reduction in carbon emissions. For

Appendix C - SEA of Revocation of East Midlands Regional Strategy

	Planning Authority	Current status ¹	Other relevant policies ²	East Midlands Plan Provision/Targets ³	Local authority adopted Plan Provision/Targets
					developments of over 200 dwellings it includes a target of at least 30% of the demand for energy will be met on site (the actual figure to depend upon technical and economic viability), and renewably and/or from a decentralised renewable or low-carbon energy supply.
				EMPLOYMENT	
				See policy requirement for Amber Valley (above). Level of employment development monitored against an increase in employment of 43,800 jobs in North Northamptonshire.	Policy 11: Distribution of Jobs - The quantity and quality of existing employment sites and allocations will be reviewed against the job creation target of 13,580.
				HOUSING PROVISION	
				Annual apportionment from 2006 = 540 Total Housing Provision 2006-2026 = 10,800	No specific housing target in saved policies.
				GYPSY & TRAVELLER PITCHES	
				Minimal additional pitch requirements 2007-2012 taking account of the need arising from future growth beyond 2012 Additional requirement = 6 (plus 3 transit pitches)	No reference to gypsy and traveller provision.
				RENEWABLES	
				See policy requirement for Amber Valley (above)	No reference to renewable targets
				EMPLOYMENT	
				See policy requirement for Amber Valley (above)	No specific target in Local Plan. No direct link with the number of jobs this will provide is available.
11	Daventry District Council	Daventry Local Plan (1997) Saved policies.	Core Strategy published Feb 2011		

Appendix C - SEA of Revocation of East Midlands Regional Strategy

	Planning Authority	Current status ¹	Other relevant policies ²	East Midlands Plan Provision/Targets ³	Local authority adopted Plan Provision/Targets
12	Derby City Council	Derby Local Plan Review (2006) Saved policies.		HOUSING PROVISION	
				Policy 13a Annual apportionment from 2006 = 720 Total Housing Provision 2006-2026 = 14,400	Policies H1-H4 and H9 identify sites and expected housing provision to help meet anticipated housing need of 15,500 dwellings between 1991 and 2011. No annual breakdown of housing targets.
				GYPSY & TRAVELLER PITCHES	
				Minimal additional pitch requirements 2007-2012 taking account of the need arising from future growth beyond 2012 Additional requirement = 16	Policy H15 Sites for Gypsies and Travellers contains no specific targets
				RENEWABLES	
				See policy requirement for Amber Valley (above)	Policy E10 Renewable Energy – development proposals will have regard to the need to reduce the net use of energy. No specific renewable energy targets
13	Derbyshire Dales District Council	Derbyshire Dales Local Plan (2005) Saved policies.		HOUSING PROVISION	
				Policy 13a Annual apportionment from 2006 = 200 Total Housing Provision 2006-2026 = 4,000	No specific housing target in saved policies. No annual breakdown of housing targets.
				GYPSY & TRAVELLER PITCHES	
				Minimal additional pitch requirements 2007-2012 taking account of the need arising from future growth beyond 2012	No specific targets in the Local Plan
				EMPLOYMENT	
				See policy requirement for Amber Valley (above)	Policies identify around 338.8 hectares of available land for employment purposes. No direct link with the number of jobs this will provide is available

Appendix C - SEA of Revocation of East Midlands Regional Strategy

	Planning Authority	Current status ¹	Other relevant policies ²	East Midlands Plan Provision/Targets ³	Local authority adopted Plan Provision/Targets
				Additional requirement = 2	
				RENEWABLES	
				See policy requirement for Amber Valley (above)	Policy CS5 – Renewable Energy installations and Policy CS6 Wind Turbine generator Development Development will be allowed where it can be demonstrated that the benefits of renewable energy production outweigh any adverse impact. No specific renewable energy targets.
				EMPLOYMENT	
				See policy requirement for Amber Valley (above)	Policy EDT1 identifies sites to meet target of 35 hectares. No direct link with the number of jobs this will provide is available.
14	East Lindsey District Council	East Lindsey Local Plan (1995) Saved policies		HOUSING PROVISION	
				Policy 13a Annual apportionment from 2006 = 600 Total Housing Provision 2006-2026 = 6,000	No specific housing target in saved policies. No annual breakdown of housing targets.
				GYPSY & TRAVELLER PITCHES	
				Minimal additional pitch requirements 2007-2012 taking account of the need arising from future growth beyond 2012.	No specific targets set in Local Plan.
				Additional requirement = 7	
				RENEWABLES	
				See policy requirement for Amber Valley (above)	No saved policy on renewable energy.
				EMPLOYMENT	
				See policy requirement for Amber Valley (above)	Employment land allocated on proposals map but not quantifiable. No direct link with the number of jobs this will provide is available.

Appendix C - SEA of Revocation of East Midlands Regional Strategy

	Planning Authority	Current status ¹	Other relevant policies ²	East Midlands Plan Provision/Targets ³	Local authority adopted Plan Provision/Targets
15	East Northamptonshire Council	North Northamptonshire Core Strategy adopted June 2008. The Rural North Oundle & Thrapston Plan (Jul 2011)	East Northamptonshire Local Plan (1996) Saved policies	HOUSING PROVISION	
				Annual apportionment from 2006 = 445 Total Housing Provision 2006-2026 = 8,900	Policy 7 requires Development Plan Documents will make provision for 9,400 dwellings for the period 2001-2021. No annual breakdown of housing targets.
				GYPSY & TRAVELLER PITCHES	
				Minimal additional pitch requirements 2007-2012 taking account of the need arising from future growth beyond 2012 Additional requirement = 4 (plus 2 transit pitches)	Policy 17: Gypsies and Travellers. Travellers – Where a need is identified for additional accommodation for gypsies, travellers or travelling show people, planning permission may be granted, or site allocations proposed, when specified criteria are met. No specific target.
				RENEWABLES	
				See policy requirement for Amber Valley (above)	Policy 14: Energy Efficiency and Sustainable Construction requires development should meet the highest viable standards of resource and energy efficiency and reduction in carbon emissions. For developments of over 200 dwellings it includes a target of at least 30% of the demand for energy will be met on site (the actual figure to depend upon technical and economic viability), and renewably and/or from a decentralised renewable or low-carbon energy supply.
EMPLOYMENT					
				See policy requirement for Amber Valley (above). Level of employment development to be monitored against an increase in employment of 43,800 jobs in North Northamptonshire.	Policy 11: Distribution of Jobs - The quantity and quality of existing employment sites and allocations will be reviewed against the job creation target of 5,220
16	Erewash	Erewash		HOUSING PROVISION	

Appendix C - SEA of Revocation of East Midlands Regional Strategy

	Planning Authority	Current status ¹	Other relevant policies ²	East Midlands Plan Provision/Targets ³	Local authority adopted Plan Provision/Targets
	Borough Council	Local Plan (2005) Saved policies.		Policy 13a Annual apportionment from 2006 = 360 Total Housing Provision 2006-2026 = 7,200	No specific housing target in saved policies but policies identify sites to meet local housing need. No annual breakdown of housing targets.
				GYPSY & TRAVELLER PITCHES	
				Minimal additional pitch requirements 2007-2012 taking account of the need arising from future growth beyond 2012 Additional requirement = 0	No specific provision for G&T pitches in the Local Plan
				RENEWABLES	
				See policy requirement for Amber Valley (above)	No reference to renewable energy targets
				EMPLOYMENT	
				See policy requirement for Amber Valley (above).	Policies E1 and E4 identify specific sites totalling over 100ha.
17	Gedling Borough Council	Gedling Local Plan (2005) Saved policies.	Gedling Core Strategy published Jun 2012	HOUSING PROVISION	
				Policy 13a Annual apportionment from 2006 = 400 Total Housing Provision 2006-2026 = 8,000	No current housing targets.
				GYPSY & TRAVELLER PITCHES	
				Minimal additional pitch requirements 2007-2012 taking account of the need arising from future growth beyond 2012 Additional requirement = 4	No policy for Gypsy and Traveller pitches. No Targets
				RENEWABLES	
				See policy requirement for Amber Valley (above)	Policy ENV 5 Renewable Energy. General policy in support of renewable energy but no specific renewable energy targets.
				EMPLOYMENT	
See policy requirement for Amber Valley (above)	Local Plan allocates 49.5Ha Local Plan for development. No direct link with the number of jobs				

Appendix C - SEA of Revocation of East Midlands Regional Strategy

	Planning Authority	Current status ¹	Other relevant policies ²	East Midlands Plan Provision/Targets ³	Local authority adopted Plan Provision/Targets
					provide is available
19	High Peak Borough Council	High Peak Local Plan (2005) Saved policies	High Peak Interim Housing Policy Statement (2009)	HOUSING PROVISION	
				Policy 13a Annual apportionment from 2006 = 300 Total Housing Provision 2006-2026 = 6,000	Policy H1 sets out the general principles for housing locations and managing housing need, whilst other policies identify specific locations. The Interim policy statement refines the interpretation of policy H1 in the light of the regional strategy allocations. No annual breakdown of housing targets.
				GYPSY & TRAVELLER PITCHES	
				Minimal additional pitch requirements 2007-2012 taking account of the need arising from future growth beyond 2012 Additional requirement = 0	Policy H17 sets criteria for assessing applications, but no target provision set
				RENEWABLES	
				See policy requirement for Amber Valley (above)	Policy CF10: Renewable Energy Planning Permission will be granted for renewable energy development, provided that the benefits of the renewable development outweigh any adverse impacts. No specific renewable energy targets.
				EMPLOYMENT	
See policy requirement for Amber Valley (above)	Sites allocated for employment land but no direct link with the number of jobs this will provide is available				
20	Hinckley and Bosworth Borough Council	Core Strategy adopted Dec 2009	Hinckley & Bosworth Local Plan (2001) Saved Policies, Hinckley Town Centre Area Action Plan	HOUSING PROVISION	
				Policy 13a Annual apportionment from 2006 = 450 Total Housing Provision 2006-2026 = 9,000	Overall Housing Provision by between 2006 -2028 is 7700, split into 5 areas and figures given for each area. No annual breakdown of housing targets.
				GYPSY & TRAVELLER PITCHES	
				Minimal additional pitch requirements 2007-2012	Policy 18 - The council will allocate land for 42

Appendix C - SEA of Revocation of East Midlands Regional Strategy

	Planning Authority	Current status ¹	Other relevant policies ²	East Midlands Plan Provision/Targets ³	Local authority adopted Plan Provision/Targets
			(2011)	<p>taking account of the need arising from future growth beyond 2012</p> <p>Additional requirement = 26 (plus 5 transit pitches and 24 plots for show people)</p>	<p>residential pitches (26 up to 2012, 16 from 2012 - 2017), capacity for up to 10 transit caravans that equates to 5 transit pitches (to 2012), and up to 3 showpeople family pitches (2 up to 2012, 1 from 2012 - 2017). Beyond 2017 to the end of the plan period there is an assumed on-going increase of 3% compound growth per annum for household formation for gypsies and travellers. For travelling showpeople a growth rate of 1.5% is assumed for the period 2017 - 2026. A Gypsy & Traveller Accommodation Needs Assessment will be undertaken to confirm the need beyond 2017. Of these new pitches 6 should be socially rented, to be provided on one site and managed by an RSL.</p>
				RENEWABLES	
				See policy requirement for Amber Valley (above)	<p>General policies in support but no specific renewable energy target. However, in terms of monitoring progress against delivering the policy, the local authority will seek to increase the amount of renewable energy generation by installed capacity and type 4% per annum CO2 reduction against base line from Local Authority operations by 2010/11</p>
				EMPLOYMENT	
				See policy requirement for Amber Valley (above)	<p>No direct link with the number of jobs this will provide is available:</p> <p>Spatial Objective 1: Strong and Diverse Economy To strengthen and diversify the economy by providing sufficient, sustainably located, good quality land and premises. District split into 4 areas - focus for new employment will be Hinckley. Range</p>

Table 2

**East Midlands Plan / Adopted Local Plans (as at May 2012)
Minerals and Waste Figures**

The following lists the development plan documents (including mineral and waste development plan documents) and saved Local Plan policies, which would form the relevant development plan for the areas in question in the East Midlands of England, if the regional strategy and saved structure plan policies were revoked.

Planning Authority	Current status (composition) of the local development framework (including where saved policies from earlier Local Plans remain in place, pending approval of the core strategy)	East Midlands Regional Plan: Minerals and Waste Figures (adopted March 2009)	Local authority adopted Plan Minerals and Waste Figures	Other relevant (saved) policies and other near complete development plan documents (including relevant information)
Derby and Derbyshire	Local Plan (2005) Waste saved Local Plan policies Local Plan (2000, alterations 2002) Minerals saved Local Plan policies	Waste Policy 37 takes account of the objectives of the region's waste Strategy, including: <ul style="list-style-type: none"> - Work towards zero growth in waste at the regional level by 2016; - reduce the amount of waste sent to landfill in accordance with the EU Landfill Directive - exceed Government targets for recycling and composting <i>[East Midlands Regional Plan. Paragraph</i>	Waste Appendix B sets out forecast arisings of Derby and Derbyshire waste for the period 2000/1 to 2014/15. It assumes that Government targets in Waste Strategy 2000, as well as the obligation of the EU Landfill directive will be met. However, it does not forecast waste management capacity requirements for the plan period, except that it does anticipate a need for additional landfill capacity.	

Appendix C - SEA of Revocation of East Midlands Regional Strategy

		<p>3.3.57]</p> <p>East Midlands produced around 20.6 million tonnes in 2003. Of this, 48% was Construction and Demolition Waste, 28% Industrial Waste, 12% Municipal Solid Waste, 11% Commercial Waste, and 1% Hazardous Waste.</p> <p>It is projected that by 2020 East Midlands will produce 22.2 million tonnes of controlled waste a year.</p> <p><i>[East Midlands Regional Plan. Paragraph 3.3.58 & 3.3.59. Pgs 81&82]</i></p> <p>All Waste Collection Authorities and Waste Disposal Authorities should achieve a minimum target for the recycling and composting of MSW of 30% by 2010 and 50% by 2015.</p> <p><i>[East Midlands Regional Plan. Policy 38 Pg 86]</i></p> <p>Policy 38 confirms that waste planning authorities should plan on the basis of waste management forecast and capacity for the period from 2009-2025. The apportionments, set out in Annex D to the Plan, are as follows</p> <p><u>Recycling/Composting</u></p> <p>MSW Derby City and Derbyshire 180 (09/10), 326 (14/15), 326 (19/20), 326</p>	<p><i>[Derby and Derbyshire Waste Local Plan. Pgs 95-99]</i></p> <p><u>Minerals</u> Policy MP20 makes provision for 36 million tonnes of sand and gravel, in the period 1992-2006, in line with national and regional guidelines. Land should be allocated to provide for 12 million tonnes of sand and gravel production, in addition to permitted reserves.</p> <p>The 2001-2016 national and regional guidelines, as advised by the Aggregate Working Party, sets out an apportionment of 137 million tonnes over the 15 year period to 2006. However, given the size of permitted reserves, Policy MP23 makes no additional provision new site for crushed rock except in limited circumstances.</p>

--	--	--	--	--

Appendix C - SEA of Revocation of East Midlands Regional Strategy

			<p>Minerals Policy MCS2 underpinned by the need to provide 4.864mt of crushed rock to be provided over the period 2001-2016 based on the approved regional apportionment, an annual requirement of some 304,000 tonnes.</p> <p>The sub-regional apportionment only covers the period from 2001 to 2016. The 2001-2016 apportionment has therefore been rolled forward to 2026 by assuming the requirements after 2016 continue at the same average rate. If the DPD period were assumed to be 21 years inclusive (2006-2026), this would result in a total requirement for Rutland of 6.4mt.</p> <p>The current aggregate landbank for Rutland is approximately 30 years (permitted reserve of approximately 9mt as at the end of 2007 divided by an annual requirement of 0.304mt). The existing permitted reserve represents an excess of some 2.6mt above the total requirement for the period to 2026.</p> <p><i>[Rutland Minerals Core Strategy and Development Control Policies Development Plan Document. Paragraphs 4.1.6 to 4.1.14. Pgs 20&21]</i></p>

Peak District NPA	Core Strategy Development Plan Document (adopted October 2011)		<p><u>Minerals</u></p> <p>Regional policy sets out an aggregates apportionment for the Peak District National Park of 66.9mt for the period 2001 to 2016. Following publication of new national and regional figures, the East Midlands Regional Aggregates Working Party (RAWP) have subsequently recommended that the National Park figure should be 65.0mt for the period 2005 to 2020 (16 years)</p> <p>The National Park Authority will seek a further reduction in the apportionment figure suggested for the National Park at the relevant future review stages in the RAWP process or its successor processes.</p> <p>Current permitted reserves of limestone for aggregate purposes amounted to 111mt as at 31 December 2008, sufficient for about 27 years' supply. Permitted reserves of sandstone for aggregate purposes amounted to 2.68mt (combined with Derbyshire) at 31 December 2008, sufficient for 20 years based on the current apportionment figure.</p>
