### Summary

- The 23<sup>rd</sup> Edition of the Ship Captain's Medical Guide (SCMG) was published on 23 September 2019
- The SCMG is primarily intended for vessels with no medical professional on board, providing practical guidance for those responsible for first aid or medical care on board.
- All UK ships and fishing vessels carrying Category A or Category B medical stores must carry the latest edition of the SCMG.
- It is also the handbook for UK medical first aid and medical care training.
- Typographical corrections for the first impression of the 23<sup>rd</sup> edition are in the Annex to this notice.

Amendment 1 updates publication details.

1. The 23<sup>rd</sup> Edition of the Ship Captain's Medical Guide (SCMG) was published on 23 September 2019.
- 1.2 The SCMG is intended primarily for use on vessels where there is no medical professional, such as a doctor, on board. It provides assistance and direction for crew members when it becomes necessary for them to assess and treat trauma and medical illness. Ships and fishing vessels which carry Category A or Category B stores are required also to carry a copy of the Guide. This may be in electronic format (see paragraph 3.2) provided that it is readily accessible to anyone who may need to use it.
- 1.3 The SCMG is also the handbook for UK medical first aid and medical training.
2. **Changes to the SCMG**
  - 2.1. For the 23<sup>rd</sup> edition, the guide has been comprehensively re-written, with the aim of reflecting current best medical practice, applying this to the maritime environment. The new guide also incorporates advances over the past 20 years in medical technology, treatment algorithms and global communications.
  - 2.2 MSN 1768(M+F) on Medical Stores is to be updated to reflect the revised guidance

in the SCMG. Learning outcomes and syllabus for the UK medical first aid and medical care courses will also be updated.

### **3. How to obtain copies**

- 3.1 The Ship Captain's Medical Guide 23<sup>rd</sup> Edition (ISBN number **9780115534614**) is published by TSO on behalf of the Maritime and Coastguard Agency (MCA). Copies may be obtained from TSO, the MCA's official publisher, via their website.
