**9 Itemised schedule of VAT amounts relating to the period covered by this application**

- Each document submitted should be consecutively numbered starting with 1. The number should be inserted in the top right-hand corner. Enter details across the columns in respect of each invoice submitted. If you do not have enough space use the VAT65A(CS) or acceptable alternative version (see 'General' in the Notes). Attach this securely to the application form.
- You are reminded that when tax is incurred by taxable persons who receive VAT group treatment, the group representative member must apply on behalf of all the members. As the supporting invoices produced will not necessarily be addressed to the representative member, the status certificate must also contain the names of those group members who incurred the tax.
- Refunds of tax incurred may only be claimed subject to the rules in the UK. Brief details of supplies on which tax cannot be reclaimed are given in HMRC Notice 723A.  
 Tax incurred on the following supplies will not be refunded by the UK tax authority:
  - supplies of goods which have been or are about to be exported
  - supplies to travel agents which are for the direct benefit of travellers. Under this scheme the term 'travel agent' includes tour operators or any person who purchases or re-supplies services to travellers
