

Decision of the Withdrawal Agreement Joint Committee on errors and omissions

17 December 2020

DECISION NO 3/2020
OF THE JOINT COMMITTEE ESTABLISHED BY THE AGREEMENT
ON THE WITHDRAWAL OF THE UNITED KINGDOM OF GREAT BRITAIN
AND NORTHERN IRELAND FROM THE EUROPEAN UNION
AND THE EUROPEAN ATOMIC ENERGY COMMUNITY

of 17 of December 2020

amending the Protocol on Ireland and Northern Ireland
to the Agreement on the withdrawal of the United Kingdom of Great Britain
and Northern Ireland from the European Union
and the European Atomic Energy Community

THE JOINT COMMITTEE,

Having regard to the Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community ('the Withdrawal Agreement'), and in particular point (d) of Article 164(5) thereof,

Whereas:

- (1) Point (d) of Article 164(5) of the Withdrawal Agreement enables the Joint Committee established under Article 164(1) thereof ('the Joint Committee') to adopt decisions amending the Withdrawal Agreement, provided that such amendments are necessary to correct errors, to address omissions or other deficiencies, or to address situations unforeseen when the Agreement was signed, and provided that such decisions do not amend essential elements of that Agreement. Pursuant to Article 166(2) of the Withdrawal Agreement, the decisions adopted by the Joint Committee are binding on the Union and the United Kingdom. The Union and the United Kingdom must implement such decisions, which have the same legal effect as the Withdrawal Agreement.
- (2) Under Article 182 of the Withdrawal Agreement, the Protocol on Ireland/Northern Ireland ('the Protocol') forms an integral part of that Agreement.
- (3) Two legal acts on the CO₂ emission performance of new cars and vans registered in the Union which are listed under heading 9 of Annex 2 to the Protocol and made applicable to and in the United Kingdom in respect of Northern Ireland by Article 5(4) of that Protocol, do not relate to the placing on the market of such vehicles in the Union. They should therefore be removed from Annex 2 to the Protocol;

- (4) Eight legal acts which are essential for the application of the rules of the internal market for goods in respect of Northern Ireland and which were omitted at the time of adoption, should be added to Annex 2 to the Protocol.
- (5) In order to clarify the scope of application of certain acts already listed in Annex 2 to the Protocol, three notes should be added to that Annex;
