Reference form for applicant or named agent conducting activities related to a wildlife licence

References provided in support of a licence application consist of two elements:

1. A statement from the referee, demonstrating their own skills, relevant experience and qualifications to warrant them to provide this reference.

2. A statement from the referee on the skills and experience of the applicant or named agents (those undertaking licensed activities) for this wildlife licence application.

1. Summary of licence sought

Species to be affected:

Techniques to be licensed:

2. Referee contact details (We may contact you to discuss this reference)

Title

Forename

Surname

Full postal address (including post code)

Telephone number (including area code)

Mobile telephone number

Email address

3. Referee's skills and experience

Please provide concise details of your relevant skills and experience, which enable you to provide a reference for those undertaking licensed activities. You should provide reference numbers for any licences held in the last three years for similar species and techniques.

4. Referee's statement on the applicant's or named agent's skills and experience

The referee should provide details of **their knowledge** of the **applicant's skills and experience** in working with the species (or similar species) and techniques listed in section 1. Please refer to relevant licences under which the applicant or named agent has acted as an agent or assistant and any relevant training undergone by the applicant.

Applicant/named agent's name:

Species worked on:

Techniques used:

State how long you have known/worked with the applicant/named agent:

For applications relating to specific time-limited projects, please tick this box to confirm that you are aware of the scope/scale of the project to be carried out under this licence.
