Declaration & Signature

I declare that the facility where the recycling of the vessel will take place, is within the UK, or included in the current EU list of ship recycling facilities (*If however, the proposed ship recycling facility is not currently included in the EU list, but being considered for inclusion, application details will need be provided to the Authority with this Declaration*). Understand that MOD will not pay to have the vessel recycled and that the information provided will be used to assess the suitability to be invited to tender for the vessel.

Please select one option:

- The Recycling facility is within the UK
- The recycling facility is included on the current EU List
- Application submitted for inclusion on EU List and I have provided details with declaration.
