Declaration of a Temporary Movement Restriction Zone (Avian Influenza)

1) The Secretary of State has considered the findings of veterinary inquiries at a premises where avian influenza is suspected, in accordance with article 13(a) of the Avian Influenza and Influenza of Avian Origin in Mammals (England) (No 2) Order 2006\(^1\) (“the Order”).

2) To reduce the risk of the transmission of avian influenza, the Secretary of State declares as a Temporary Movement Restriction Zone, the area around the suspect premises described in Annex 1 to this Declaration in which the measures set out in Schedule 7 to the Order (as replicated in Annex 1) apply.

3) The Temporary Movement Restriction Zone area is marked on the map in Annex 2.

4) The measures apply from 21.00 on 26 March 2021 until this Declaration is withdrawn or amended by further declaration.

Signed: Gordon Hickman

20.50 on 26 March 2021

Authorised by the Secretary of State

Failure to comply with this Declaration may be an offence under section 72 or 73 of the Animal Health Act 1981.

\(^1\) S.I. 2006/2702
Annex 1 – Temporary Movement Restriction Zone

The Temporary Movement Restriction Zone Area (TMRZ) comprises that part of Cheshire West and Chester contained within a circle of radius 1 kilometer, centred on grid reference SJ5518462050. The grid reference is to the Ordnance Survey [1:25,000 explorer map series].

The Measures from the Order that apply in the Temporary Movement Restriction Zone

Restrictions on the movement of poultry, other captive birds and mammals onto and off premises

1. (1) Subject to sub-paragraph (2), no person shall move poultry, other captive birds or mammals from or to premises within the zone where poultry or other captive birds are kept, unless the movement is licensed by a veterinary inspector or by an inspector under the direction of a veterinary inspector.

(2) Paragraph (1) does not apply to pet animals which—

(a) only have access to that part of the premises where people live;

(b) have no contact with poultry or other captive birds on the premises; and

(c) have no access to any cages or areas on the premises where poultry or other captive birds are kept.

Biosecurity measures

2. The occupier and any person entering or leaving premises in the zone where poultry, other captive birds or eggs are kept must—

(a) take such biosecurity measures as he considers necessary to reduce the risk of the spread of avian influenza to or from the premises; and

(b) comply with any biosecurity requirements which a veterinary inspector or an inspector under the direction of a veterinary inspector, by notice to him, imposes.

Litter, poultry manure and slurry

3. No person shall remove from premises in the zone or spread used poultry litter, poultry manure or poultry slurry unless licensed by a veterinary inspector or by an inspector under the direction of a veterinary inspector.

Gatherings of poultry

4. No person shall permit any poultry or other captive birds to be collected together at any fair, market, show, exhibition or other gathering, unless licensed by a veterinary inspector.
Release of game in the zone

5. No person shall release game birds.

Restrictions on the movement of poultry, other captive birds and eggs within the zone

6. Subject to paragraph 8, no person shall move any poultry, other captive birds or eggs within the zone (other than through the zone by road or rail without stopping), unless licensed by a veterinary inspector or by an inspector under the direction of a veterinary inspector.

Restrictions on the movement of poultry and eggs out of the zone

7. (1) Subject to paragraph 8, no person shall move any poultry or eggs out of the zone, unless the movement is—

(a) set out in sub-paragraph (2); and

(b) licensed by a veterinary inspector.

(2) The movements referred to in paragraph (1) are movements of—

(a) poultry for slaughter at a designated slaughterhouse;

(b) poultry to premises or part of premises where no poultry are kept;

(c) day-old chicks from eggs originating within the zone or from eggs which have come into contact with such eggs;

(d) day-old chicks from eggs originating outside the zone, if the hatchery is operated in such a way that such chicks and eggs are kept separate from day-old chicks and eggs originating in the zone;

(e) hatching eggs—

(i) to a designated hatchery; or

(ii) to designated premises for use for scientific, diagnostic or pharmaceutical purposes (if, in both cases, the eggs and their packaging are disinfected before dispatch);

(f) eggs to a designated egg packing centre in disposable packaging and in accordance with biosecurity requirements specified by a veterinary inspector;

(g) eggs to an egg processing plant inside or outside the zone;

(h) eggs for disposal.

Wholesale and retail distribution of eggs

8. Paragraphs 6 and 7 do not apply to the movement of table eggs direct to wholesale or retail premises or subsequent to such a movement.
Carcases

9. The occupier of any premises within the zone must ensure that carcases are disposed of in accordance with a veterinary inspector's instructions (unless the veterinary inspector licenses their use for diagnosis of disease).

Cleansing and disinfection of vehicles

10. A person who moves any poultry, other captive bird, meat, feed, manure, slurry, litter or any other thing which may be contaminated must cleanse and disinfect the vehicle and any equipment used to transport that thing as soon as it is unloaded, in accordance with article 66 of the Order.
