

Form AN

Application for naturalisation as a British citizen

To be used by people in the Channel Islands, Isle of Man and British overseas territories, and by people who live elsewhere and want to apply by post.

Use this form if you are applying on or after 28 June 2022.

The Home Office will use the personal information you provide to consider your application. We may also share your information with other public and private sector organisations in the UK and overseas. For more detail please see the Privacy Notice for the Border, Immigration and Citizenship system at www.gov.uk/government/publications/personal-information-use-in-borders-immigration-and-citizenship. This also sets out your rights under the Data Protection Act 2018 and explains how you can access your personal information and complain if you have concerns about how we are using it.

Application for naturalisation as a British citizen

Before completing this form, you should read Guide AN. Fill in those parts of the form that apply to your application. If there is not enough space for your answer, use page 23 to provide additional information.

If you want help to complete your application form, you may wish to contact a competent adviser, for example, a solicitor or agent registered with the Office of the Immigration Services Commissioner (see Guide AN which accompanies this form for details).

We recommend that you keep a completed copy of this application.

Ensure that you read the Guide AN. You should ensure that you understand the criteria for naturalisation before submitting your application. Full fees cannot be returned for applications that fail.

Write in block capitals using black ink. Please enter all dates as dd/mm/yyyy, for example 21/09/2021.

Each individual applying for naturalisation must complete a separate application form. Therefore husbands, wives and civil partners wishing to naturalise, must complete separate forms. Family applications should include separate forms for each child, either an AN Form where the child is now an adult or an MN1 Form for a minor. **We do not need applications for adults or minors who are already British.**

Before making your application, you may wish to check whether you are eligible to apply under the Windrush Scheme. If you are covered by the scheme you should not apply for British citizenship on this form. For more information, and to access the Windrush Scheme application form, see: www.gov.uk/guidance/windrush-scheme

If you are acting as the responsible adult for someone who is not of sound mind and unable to make and understand their own application (see Sound Mind in Guide AN), you must take full responsibility for the accuracy of the information provided and sign the declaration on behalf of the applicant. This includes liability in law.

Date and place of first arrival in the United Kingdom (see pages 5 - 7 of the Guide):

If you have been absent for more than 90 days in the last 12 months your application may be refused.

The total number of days absence for the 3-year period should not exceed 270 if you are married to or in a civil partnership with a British citizen,

In other applications, you should not have been outside the UK for more than 450 days in the 5-year qualifying period.

Guide AN sets out when we would normally exercise discretion over excess absences: www.gov.uk/government/publications/nationality-forms-guide

2.3	Tell us in which country you intend to have your main home if you are naturalised:	

If this country is outside the United Kingdom and i) you are not married to or the civil partner of a British citizen or ii) you intend to enter into or continue Crown service, service in an international organisation or employment with a company or association established in the United Kingdom, include a letter of explanation.

Qualifying period

2.4 If you are the spouse or civil partner of a British citizen, you must have been in the UK on the date 3 years before making the application. Otherwise, you must have been in the UK on the date 5 years before making the application. To identify the start of the qualifying period you use the day after the application date minus the length of the qualifying period. So for an application made on the 1 September 2022, you must have been in the UK on the 2 September 2019 (spouse of GBR) or 2 September 2017 (others).

Work out the date you need to have been in the UK:

Questions	Example	Your answer
What is the date you are applying on?	1 September 2022	a)
If you go back 5 years, or 3 years if you are the spouse or civil partner of a British citizen, what is the date?	1 September 2017	b)
Now add on one day.	2 September 2017	c)

The answer in box (c) is the start of the qualifying period - to meet the requirements you must have been in the UK on this day.

2.5	Were you in the UK or	n the first day of your qualifying period?
Yes	No	

If 'no' your application may be refused.

If you ticked "no" to question 2.5 and still wish to submit your application, please give reasons why you think your application should be considered **exceptionally** on page 23 of this application form.

Free from restrictions on residing in the $\ensuremath{\mathsf{UK}}$

2.6 If you do not have indefinite leave to enter or remain (including settled status issued under the EU Settlement Scheme), do you believe you are free from restrictions on the period you can reside in the UK on any other basis?
Yes No
If you have answered yes, please give details in the box below. You should enclose evidence of this with your application. If you have answered no, you may wish to check that you meet all of the requirements for naturalisation before continuing with your application. We cannot overlook the requirement for you to be free of immigration time restrictions on the date of application.

If you do not submit your BRP with this application, you must return it to the Home Office no later than 5 days from the date you attended your Citizenship Ceremony or the date you were issued with a certificate of naturalisation, so that it can be securely destroyed. Details of how to return your BRP can be found in the 'returning your biometric residence permit' section of the Nationality Forms Guide, which can be found on our website at:
