A. Confirmation of area of Green Belt estimated as at **31st March 2020**

The Green Belt estimate for your local authority as at 31st March 2020 is shown in the box at A2 below. This will be used to calculate the overall change in Green Belt from 1st April 2020 to 31st March 2021. The information is taken from the boundary file(s) previously provided by your authority. Boundary files for Green Belt area in England are published [here](#).

A1. Do you agree with the estimate of the area of Green Belt land for your authority at 31st March 2020 shown at A2 below?

Please note that this pre-filled figure is calculated based on the boundary files previously submitted by your authority in order to ensure that a consistent methodology is applied across all authorities; the published figure may differ from your own calculations as MHCLG map against ONS Local Authority District (Mean High Water mark) boundaries, and may also use different GIS software to some local authorities.

If you have identified any errors or have revised your Green Belt file due to improved methodology or measuring, please answer 'No'.

Please attach your boundary file(s) in BNG (British National Grid) 27700 format below in a **zipped (.zip)** folder having first removed any restrictions on access such as password protection.

NB This is mandatory if you have answered No to A1.

A2. Estimated area of Green Belt at 31st March 2020:

Previously published estimate (expressed to the nearest 0.1 hectare)

Revised estimate at 31st March 2020 (expressed to the nearest 0.1 hectare):

B. Area of Green Belt estimated at **31st March 2021**

B1. Did your local authority change its Green Belt boundary between 1st April 2020 and 31st March 2021?

i.e. was any Green Belt land designated or de-designated between 1st April 2020 and 31st March 2021? Any earlier changes should be recorded as revisions to last year's figures in Section A above.

Please enter the estimated area of the new Green Belt GIS boundary file in question B2.

Please attach your boundary file(s) in BNG (British National Grid) 27700 format below in a **zipped (.zip)** folder having first removed any restrictions on access such as password protection.

NB This is mandatory if you have answered Yes to B1.

B2. Estimated area of Green Belt (expressed to the nearest 0.1 hectare) at 31st March 2021:

B3. What was the date of this change?

Please select a date between **1st April 2020** and **31st March 2021**

B4. As you have indicated that your authority has designated or de-designated Green Belt land, please provide an explanation to place the change in Green Belt for your authority into context. This will be quoted verbatim in Annex A of the forthcoming statistical release.

Please enter explanation here
