Introduction

Select Healthcare is the private division of Brighton and Sussex University Hospitals NHS Trust (BSUH).

As a tertiary teaching hospital, BSUH is one of the top Trusts in the country and is at the forefront of cutting edge technology, research and innovation.

We offer world class expertise and high standards of care in specialist centres at the Royal Sussex County Hospital and Royal Alexandra Children's Hospital in Brighton and the Princess Royal Hospital in Haywards Health.

As a private patient, you will be offered services that meet the highest standards in clean and luxury facilities.

We offer value for money compared to other private healthcare providers and any profit generated is reinvested directly into local NHS services.

We pride ourselves on providing:

- World class expertise in specialist centres
- High standards of care delivered by dedicated staff
- Cutting edge technology
- Clean environment with rigorous infection control measures
- Luxury facilities

All profit generated from private practice through BSUH is reinvested directly into local NHS services.
