

**BULLETIN ADDENDUM**

<b>Aircraft Type and Registration:</b>	Champion 7ECA Citabria Aurora, G-EGWN
<b>Date &amp; Time (UTC):</b>	18 July 2013 at 0850 hrs
<b>Location:</b>	RAF Halton, Buckinghamshire
<b>Information Source:</b>	Additional information from flying club

**AAIB Bulletin No 12/2013, page 28 refers****Original synopsis**

The instructor reported that during an aerobatic training sortie the elevator control became restricted; a successful landing was carried out. A foreign object was later found lodged against the elevator control stop.

**Additional information**

The original report noted that the origin of the foreign object, a metal ring, and how it entered the aircraft could not be determined. Further investigation by the flying club has identified that the metal ring was from the aircraft's door emergency release pull. The ring has been replaced and an additional lanyard added to restrain it should it become detached again.
