

DRUG ALERT

CLASS 3 MEDICINES RECALL

**Action Within 5 Days
Pharmacy Level Recall**

Date: 01 August 2013

EL (13) A/21

Our Ref: MDR 78-02/13

Dear Healthcare Professional,

Teva UK Limited

Warfarin 3mg Tablets in Teva UK and Lloyds Pharmacy PL 00289/1628 liveries

Teva UK Limited is recalling all remaining stock of the batches listed in the attached tables because higher than expected levels of degradation products were detected during routine stability studies. Although there are currently no concerns relating to patient safety, it is possible that degradation products may exceed specification towards the end of the shelf-life.

Remaining stock of these batches should be quarantined and returned to the original supplier for credit. This action should not result in stock shortages because new batches, with a reduced shelf-life, have recently been released to the market. For further stock enquiries please contact Teva UK Customer Service Team on 0800 590502

For medical information enquiries please contact Teva UK Limited by phone on 0207 5407117 or by email to medinfo@teva.uk.com.

Recipients of this Drug Alert should bring it to the attention of relevant contacts by copy of this letter. Local area teams are asked to forward this to relevant clinics, general practitioners and community pharmacists for information.

Yours faithfully

Alison Bunce
Pharmaceutical Assessor
Defective Medicines Report Centre
