Location:	Peasmarsh, East Sussex
Information Source:	AAIB Field Investigation

AAIB Bulletin No 12/2014, page 23 refers

In this report it was incorrectly stated that the accident to G-REDU on 18 February 2009 was fatal. It was not.

The sentence at the top of page 23 should read:

The AAIB report on the accident to Eurocopter EC225 LP Super Puma helicopter, G-REDU, near the Eastern Trough Area Project (ETAP) in the North Sea on 18 February 2009, was published on 17 September 2011.

The online version of this report was amended prior to publication on 11 December 2014.
