

**ANTICIPATED ACQUISITION BY TRAVIS PERKINS PLC
OF BSS GROUP PLC**

**UNDERTAKINGS GIVEN BY TRAVIS PERKINS PLC TO THE OFFICE OF
FAIR TRADING PURSUANT TO SECTION 73 OF THE ENTERPRISE ACT
2002**

WHEREAS:

- (a) On 5 July 2010, Travis Perkins announced a bid for the entire share capital of BSS to be implemented by way of scheme of arrangement.
- (b) The OFT believes that, as a consequence of that transaction, arrangements are in progress or in contemplation which, if carried into effect, will result in the creation of a relevant merger situation in the UK.
- (c) The OFT has a duty to refer an anticipated merger to the CC for further investigation where it believes that it is or may be the case that the creation of that merger situation may be expected to result in a substantial lessening of competition within any market or markets in the UK for goods or services.
- (d) Under section 73 of the Act the OFT may, instead of making such a reference and for the purpose of remedying, mitigating or preventing the substantial lessening of competition concerned or any adverse effect which may be expected to result from it, accept undertakings to take such action as it considers appropriate, from such of the parties concerned as it considers appropriate, in particular having regard to the need to achieve as comprehensive a solution as is reasonable and practicable to the substantial lessening of competition and any adverse effects resulting from it.
- (e) The OFT considers that, in the absence of appropriate undertakings, it would be under a duty to refer the acquisition of BSS by Travis Perkins to the CC.
- (f) The OFT further considers that the undertakings given below by Travis Perkins are appropriate to remedy, mitigate or prevent the

substantial lessening of competition, or any adverse effect which may be expected to result from it, as specified in the Decision.

NOW THEREFORE Travis Perkins hereby gives to the OFT the following undertakings for the purpose of remedying, mitigating or preventing the substantial lessening of competition, or any adverse effect which may be expected to result from it.

Effective date of the undertakings

- 1.1 These undertakings shall take effect from the date that, having been signed by Travis Perkins, they are accepted by the OFT or the date on which the Acquisition completes, whichever is the latest.

Divestment of the Divestment Businesses

- 2.1 Travis Perkins shall, using its best endeavours and acting in good faith, as soon as reasonably practicable, effect to the satisfaction of the OFT the divestment of each of the Divestment Businesses as a going concern by the end of the Divestment Period to a purchaser or purchasers approved by the OFT in accordance with the provisions of these undertakings.
- 2.2 Without prejudice to the generality of paragraph 2.1 above, Travis Perkins shall use all reasonable endeavours to ensure the transfer of Key Staff with the divestment of the Divestment Businesses.
- 2.3 Travis Perkins shall be deemed to have complied with the obligation at paragraphs 2.1 and 2.2 if, as soon as reasonably practicable and in any event by the end of the Divestment Period, it has entered into a legally binding agreement or agreements with a purchaser or purchasers approved in advance by the OFT in writing pursuant to these undertakings (or a legally binding agreement or agreements conditional on such approval) provided that the completion of the divestment of each of the Divestment Businesses contemplated by such agreement or agreements, if later than the end of the Divestment Period, takes place
 - (a) within a period not exceeding three months after the approval of the relevant purchaser or purchasers by the OFT

(or within three months of the effective date of these undertakings, as set out in paragraph 1.1 above, whichever is later) or

- (b) within a period not exceeding 10 Working Days after all the necessary approvals and consents from third parties have been obtained,

whichever is later.

2.4 Without prejudice to the generality of paragraph 2.1 above, Travis Perkins shall take the following measures to the extent they may be necessary in the opinion of the OFT to effect the sale of the Divestment Businesses in accordance with the provisions of these undertakings:

- (a) the transfer or vesting of property, assets, rights, personnel, liabilities or obligations (including without prejudice any contracts, licences, authorisations, permits or consents);
- (b) the adjustment of contracts, whether by discharge or reduction or assignment of any liability or obligation or otherwise;
- (c) the creation, allotment, transfer, surrender or cancellation of any shares, stock or securities; and
- (d) the formation or winding up of a company,

provided that, for the avoidance of doubt, nothing in this paragraph 2.4 shall be interpreted as (i) preventing or precluding Travis Perkins from using any Plumbing Trade Supplies (or similar) brand used to denote stores or (ii) requiring Travis Perkins to transfer or licence any such brand to a third party (other than on a short term, temporary basis).

2.5 Where Travis Perkins divests a Divestment Business over which it holds or BSS held a freehold interest by way of the grant of a long lease on normal commercial terms of not less than 25 years duration to the relevant purchaser, it shall in addition sell the

freehold interest in that Divestment Business to a person independent of and unconnected to Travis Perkins and the Group of Interconnected Bodies Corporate to which Travis Perkins belongs and any Associated Person or Affiliate of Travis Perkins or such Group of Interconnected Bodies Corporate with the completion of that sale occurring within a period not exceeding three months from the date of the commencement of the lease.

- 2.6 Travis Perkins shall ensure that each sale and purchase agreement entered into for the purposes of paragraphs 2.1 and 2.3 above include a warranty that the purchaser has the financial resources, expertise (including the managerial, operational and technical capability), incentive and intention to maintain and operate the relevant Divestment Business as part of a viable and active business in competition with Travis Perkins and other competitors in the supply of plumbing and heating products.
- 2.7 In the event that Travis Perkins fails to divest one or more of the Divestment Businesses in accordance with paragraphs 2.1, 2.2, 2.3 and 2.5 above, the OFT may, whether or not initiating the Trustee Functions set out below, require Travis Perkins to divest that or those Divestment Businesses as a going concern at no minimum price to a purchaser or purchasers approved by the OFT. In these circumstances, Travis Perkins will not be required to offer any reverse premium or similar inducement to a purchaser.
- 2.8 Travis Perkins shall notify the OFT in writing of the identity of each proposed purchaser that makes an offer for any of the Divestment Businesses together with the value and terms of such offers as soon as reasonably practicable following the receipt of such offers and in any event within 10 Working Days of receipt of such offers.

Approval of purchaser and terms of divestment

- 3.1 For the purposes of the OFT approving a Divestment Purchaser in accordance with these undertakings, Travis Perkins shall, save as required or permitted by the OFT, satisfy the OFT that:
 - (a) the acquisition by the Divestment Purchaser remedies, mitigates or prevents the substantial lessening of competition

concerned or any adverse effect which may be expected to result from it, in particular, having regard to the need to achieve as comprehensive a solution as is reasonable and practicable to the substantial lessening of competition and any adverse effects resulting from it;

- (b) the Divestment Purchaser is independent of and unconnected to Travis Perkins and the Group of Interconnected Bodies Corporate to which Travis Perkins belongs and any Associated Person or Affiliate of Travis Perkins or such Group of Interconnected Bodies Corporate;
- (c) the Divestment Purchaser has the financial resources, expertise (including the managerial, operational and technical capability), incentive and intention to maintain and operate the relevant Divestment Business as part of a viable and active business in competition with Travis Perkins and other competitors in the supply of plumbing and heating products;
- (d) the Divestment Purchaser is reasonably to be expected to obtain all necessary approvals, licences and consents from any regulatory or other authority including landlord's consent to the transfer of any leasehold interest; and
