Dear Darren

Private Healthcare Market Investigation Remittal

Thank you for your letter of 14 April 2015.

We note the detail set out in your letter regarding the remittal and its scope and the opportunity provided to BMI Healthcare to submit further views and evidence to aid the CMA's re-consideration of the insured Adverse Effect on Competition (AEC) decision and the divestment decision for central London.

We have considered again the evidence and views submitted by BMI Healthcare as part of the CMA's original private healthcare market investigation. We consider these are still relevant and at this stage, we have nothing new or further to add to what we submitted previously.

Yours sincerely

Catherine Vickery
General Counsel
