

DRUG ALERT

CLASS 2 MEDICINES RECALL

Action Within 48 Hours
Patient Level Recall

Date: 25 May 2016

EL (16)A/06

Our Ref: MDR 079-05/16

Dear Healthcare Professional,

Special Products Limited

(Manufacturer: Dales Pharmaceuticals, MS 123)

Epistatus Midazolam 10mg in 1ml Oromucosal Solution

Unlicensed Special

(as Midazolam Maleate)

Batch Number	Expiry Date	Pack Size	First Distributed
73234	Oct 2017	1 x 5ml	24 Feb 2016

Special Products Limited is recalling the above batch because in approximately 47% of units, the neck adaptor, which reduces the size of the opening to accommodate the oral syringes, is the wrong size and is not compatible with the syringes.

Correct Adaptor

Incorrect Adaptor

Healthcare Professionals are asked to quarantine any remaining stock from this batch and return it to the original supplier.

Patients / Carers who may have received this batch should be contacted to notify them of this recall. Where a dose has already been taken from a bottle and the correct adaptor was in place, there is no need to return that unit. All unopened bottles or opened bottles with the incorrect adaptor should be returned and replaced. Please ensure that new stock is available before affected stock is returned.

Date: 25 May 2016

MDR 79-05/16

Further information

For enquiries relating to stock return and medical information, please contact Special Products Limited on 01932 690 325 and follow the options.

Recipients of this Drug Alert should bring it to the attention of relevant contacts by copy of this letter. Local area teams are asked to forward this to relevant clinics, general practitioners and community pharmacists for information.

Yours faithfully

Alison Bunce
