

23 June 2016

## **Anticipated acquisition by Breedon Aggregates Limited of Hope Construction Limited**

### **Notice of extension of the period mentioned in section 73A(3) of the Enterprise Act 2002 (the Act) published pursuant to section 107(1)(eb) of the Act**

On 23 April 2016 the Competition and Markets Authority (CMA) gave notice under section 73A(2)(b) of the Act that it was considering whether to accept the undertaking offered by Breedon Aggregates Limited.

Pursuant to section 73A(3) of the Act the CMA has until 23 June 2016 to decide whether to accept this undertaking. The CMA considers that this period should be extended under section 73A(4) of the Act, because it was not possible to reach a decision on acceptance of the undertaking by 23 June 2016. The reason for this is that the undertaking involves an upfront buyer. Accordingly, the CMA considers that there are special reasons for the extension. The CMA also considers that this extension does not increase the risk of an anti-competitive outcome from the merger and that there is a significant likelihood that it will be able to accept the undertaking before the end of the extended period.

This extension comes into force on the date of publication of this notice. The extension ends on 18 August 2016.
