

Annex C

King's Summary of Evidence from Impact Evaluations in Conflict-Affected Contexts

| Outcomes | | Afghanistan | DRC | Aceh (Indonesia) | Liberia | Sierra Leone |
|---------------------------|--|-------------|-----|------------------|---------|--------------|
| Proximate | Peace dividend (social infrastructure, service delivery, short-run economic) | | | | | |
| | Empowerment/voice | | | | | |
| Final outcomes (indirect) | Improved economic welfare | | | | | |
| | Improved governance | | | | | |
| | Improved social cohesion | | | | | |

As appears in King (2013, p. 27)

Green = Positive

Amber = Indeterminate

Red = No evidence of positive impact
