

HELPDESK REPORT:

Key Reference Material for Social &
Gender Issues linked to tackling
deforestation

Sarah Selby

March 2013

**EVIDENCE
ON DEMAND**

CLIMATE & ENVIRONMENT
INFRASTRUCTURE | LIVELIHOODS

This Helpdesk Report has been produced by Evidence on Demand with the assistance of the UK Department for International Development (DFID) contracted through the Climate, Environment, Infrastructure and Livelihoods Professional Evidence and Applied Knowledge Services (CEIL PEAKS) programme, jointly managed by HTSPE Limited and IMC Worldwide Limited.

The views expressed in the Helpdesk Report are entirely those of the author and do not necessarily represent DFID's own views or policies, or those of Evidence on Demand. Comments and discussion on items related to content and opinion should be addressed to the author, via enquiries@evidenceondemand.org.

Report summary

This reference list has been collated as part of a helpdesk enquiry that was undertaken to peer review social and gender issues in a business case relating to forests and climate change.

Whilst this list is not exhaustive it may act as a useful resource in the development of future business cases.

Gender Issues and Forestry

Gender Participation, Empowerment and Forests
