

Alcohol and Healthy Cities Citylab workshop

Studio 5, Environmental and Geographical Sciences Building,
Upper Campus, University of Cape Town

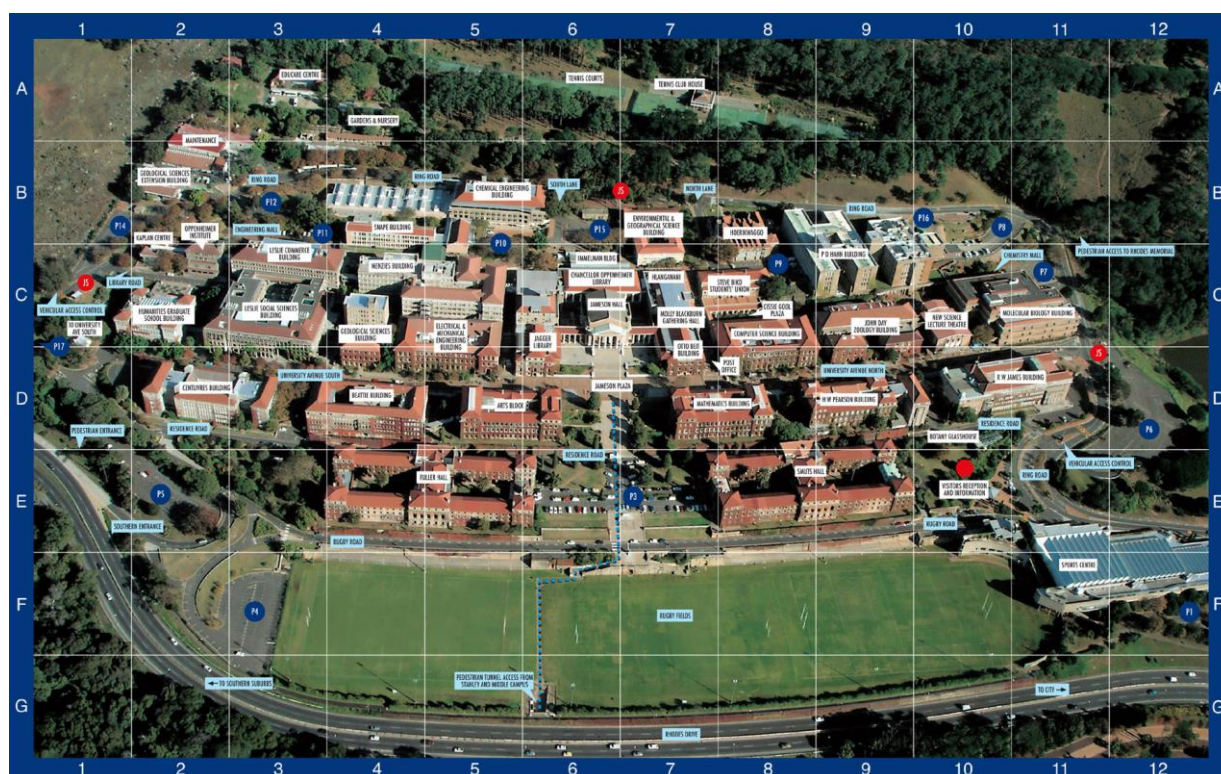

09.00-14.00 November 28 2013

Location

The workshop will be held on the Upper Campus of the University of Cape Town, in the Environmental and Geographical Science Building (in Studio 5 on Level 5). For participants who do not have UCT parking disks, at the northern entrance to the Upper Campus you will need to get a one-day yellow-bay parking disk at the Visitor's Kiosk (E10 on the photograph) – these cost R22. You will then need to continue up around Ring Road. There will be vacant yellow parking bays up above Ring Road. From Ring Road, walk down South Lane and take the first left turn into the parking area in front of the main entrance of the building (which is at B7 on the photograph). From the entrance foyer please go up the flight of stairs to the right to Level 5.

Campus Map
