

12.1 Intergenerational worksheet 1

- 1 Think about the people you live with, your family, friends and other people in your life.
Now look at the diagram below. With you in the centre, put the names of these people in the diagram, with the names of the people you feel closest to nearest to the centre.
- 2 Highlight the names of people in your diagram who are in an older generation.
How many of these people are near the centre of your diagram?
