

ANNEX 3  
SUMMARY FRAMEWORK FOR PROJECT IMPLEMENTATION

Major Expected Outputs from Project	Country Needs					Responsible Agency
	Anguilla	BVI	Cayman	Montserrat	Turks and Caicos	
Monitoring Systems	<ol style="list-style-type: none"> <li>1. Assessment of current monitoring systems</li> <li>2. Identify gaps and where possible improve</li> </ol>	<ol style="list-style-type: none"> <li>1. Assessment of current monitoring systems</li> <li>2. Identify gaps and where possible improve</li> </ol>	<ol style="list-style-type: none"> <li>1. Assessment of current monitoring systems</li> <li>2. Identify gaps and where possible improve</li> </ol>	<ol style="list-style-type: none"> <li>1. Assessment of current monitoring systems</li> <li>2. Identify gaps and where possible improve</li> </ol>	<ol style="list-style-type: none"> <li>1. Assessment of current monitoring systems</li> <li>2. Identify gaps and where possible improve</li> </ol>	<ol style="list-style-type: none"> <li>1. Country with support from 5Cs (To be completed by the end of December 2007)</li> <li>2. 5Cs and CIMH (February 2008)</li> </ol>
Climate Change Scenarios and Impact Studies	A requirement	A requirement	A requirement	A requirement	A requirement	To be provided by the 5Cs on a regional and country basis (End of February 2008)
Vulnerability Assessments	A requirement Initial emphasis on Tourism	A requirement Initial emphasis on Tourism	A requirement Initial emphasis on Tourism	A requirement Initial emphasis on Tourism	A requirement Initial emphasis on Tourism	Country with technical support from 5Cs. (by March 2008)
Adaptation Strategies	Requirement: 1. Establishment of National Climate Change Committee	Requirement: 1. Establishment of National Climate Change Committee	Requirement: 1. Establishment of National Climate Change Committee	Requirement: 1. Establishment of National Climate Change Committee	Requirement: 1. Establishment of National Climate Change Committee	Country with technical support from project (immediate start recommended)

	2. Initiate National consultation with stakeholder groups	2. Initiate National consultation with stakeholder groups	2. Initiate National consultation with stakeholder groups	2. Initiate National consultation with stakeholder groups	2. Initiate National consultation with stakeholder groups	
	3. Identify ongoing National opportunities to climate proof National Planning processes	3. Identify ongoing National opportunities to climate proof National Planning processes	3. Identify ongoing National opportunities to climate proof National Planning processes	3. Identify ongoing National opportunities to climate proof National Planning processes	3. Identify ongoing National opportunities to climate proof National Planning processes	
Public Education and Outreach (PEO)	Requirement Incorporate climate change into ongoing National PEO activities	Requirement Incorporate climate change into ongoing National PEO activities	Requirement Incorporate climate change into ongoing National PEO activities	Requirement Incorporate climate change into ongoing National PEO activities	Requirement Incorporate climate change into ongoing National PEO activities	Country with support from project ( )
Mechanisms for sharing information and experience	<ol style="list-style-type: none"> <li>1. 5Cs Clearinghouse for regional exchange of information.</li> <li>2. Local network for inter-territory information exchange</li> <li>3. National Clearinghouse for incountry exchange of information</li> </ol>					

## The way forward

The CCCCC will circulate a report of ECACC Workshop for Governments of OTs.
