Date

Dear Sirs

**Patent Number: Number/Proprietor**

**Amendment of the specification of a patent under Section 73(x) of the Patents Act 1977.**

**Reply due by: [\*\*\* within one month]**

I confirm receipt of the replacement [\*\*\*] filed on [\*\*\*].

I am pleased to inform you that your proposed amendments are allowable under section 73(x).

However as the amendments are extensive, the Examiner has requested that the xxx should be amended to bring in order to conform with the amended xxx of the specification.

A clean version of the retyped specification incorporating all agreed amendments should be filed and presented in a way that allows for them to be clearly identified. Please provide replacement specification within one month from the date of this letter, that is by [\*\*\*].

These pages will then be used for publishing purposes and will clearly show the specification in its finally amended form.

Yours faithfully
