.....

Application to amend the specification of a patent (under Section 27 and Section 75)

Section 27

Application Filed

The details of the amendments proposed, which may now be inspected at the Office, will be advertised later (unless the application is abandoned); the application will then be open to opposition. The date included in the entry is the date of filing of the application.

GB/EP Patent Number

PROPRIETOR NAME

Title of the patent and date application filed.

Application to Amend the Specification of a patent now Open to Opposition

Section 27 amendments and Section 75 before the Comptroller

If you intend to oppose the amendments filed under section 27 before the Comptroller, you must **within four weeks** of the appearance of the advertisement under section 27 or **within two weeks** under section 75, file two copies of Patents Form 15 giving the comptroller notice of opposition to the amendments. You also need to file two copies of a statement setting out fully the facts of your case and the relief that you are seeking.

Section 75 before the Court

If you intend to oppose the amendments, filed under Section 75 before the court, you must **within 14 days** from the appearance of this advertisement, file and serve on all parties and the comptroller a notice opposing the application. This must include the grounds relied on.
