Dear Sirs

Patents Act 1977: Patents Rules 2007
Outstanding Priority Documents

With reference to the above mentioned patent application, you are advised that the certified copies of the Japan priority application(s) numbered ***** were not filed with the International Bureau in accordance with prescribed requirements. You are therefore now provided with a period (under PCT r.17 (1) (c)) of two months from the date of this letter to file the outstanding priority documents. Therefore they must be filed by **DD/MM/YYYY**.

If no priority documents are filed within the time period specified above, this office will take action to cancel the declaration of priority from the application. Such cancellation takes effect prior to reprinting of the application in suit.

Yours faithfully
