

Case Number: 2300927/16

THE EMPLOYMENT TRIBUNAL

Claimant **Mr J Graham**
Respondent **ASDA Stores Ltd**

JUDGMENT

The claimant's application dated 11 May 2017 for an appeal (treated as a reconsideration request) of the judgment sent to the parties on 17 May 2017 is refused.

REASONS

1. There is no reasonable prospect of the original decision being varied or revoked. The application itself discloses no grounds for the request but it appears from later correspondence that the Claimant is arguing that the judgment is for a claim that he never made on the basis that he was claiming constructive dismissal and not unfair dismissal.
2. Since the application, the tribunal has provided written reasons for its decision, sent to the parties on 8 June 2017, which addresses the constructive dismissal issue.
3. In the circumstances, the application does not disclose any arguable basis to reconsider the judgment.
