

EMPLOYMENT TRIBUNALS

Claimant: Mr R Chowdhury

Respondent: London Borough of Tower Hamlets

JUDGMENT

The claimant's application dated **21 August 2017** for reconsideration of the judgment sent to the parties on **8 August 2017** is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked, because the claimant is simply seeking to re-argue the claim on the facts which is contrary to the principle of finality in litigation
