

Annex 6 Decision Forms

Decision Form B

(Applicant for revocation under Section 72 has withdrawn unconditionally and there are no amendments)

The applicants for revocation now state that they no longer wish to pursue the application. Having considered the objections raised by the applicants, I decide to make no order for revocation of the patent.

Decision Form D

(Applicant for revocation under Section 72 has withdrawn conditionally on amendments being accepted)

In order to meet the issues raised, the proprietors have submitted proposals for amendment of the specification. The proposed amendments are shown in a copy of the printed specification annexed to this decision and the applicants for revocation have expressed their willingness to withdraw their application on the basis of these amendments. The amendments have been advertised and no notice of opposition to them has been filed.

The amendments are such as may lawfully be made in these proceedings. Having now considered the objections raised by the applicants for revocation, I decide to allow the specification to be amended in the manner shown in the said copy of the printed specification and make no order for revocation of the patent.

Decision Form G

(Specification has been amended following an unconditional withdrawal by the applicant for revocation under Section 72)

The applicants for revocation now state that they no longer wish to pursue the application.

In order to meet the issues raised, the proprietors have submitted proposals for amendment of the specification. The proposed amendments are shown in a copy of the printed specification annexed to this decision. The amendments have been advertised and no notice of opposition to them has been filed.

The amendments are such as may lawfully be made in these proceedings. Having now considered the objections raised by the applicants for revocation, I decide to allow the specification to be amended in the manner shown in the said copy of the printed specification and make no order for the revocation of the patent.
