ISSUE                      Whether Patent Number GB xxxxxx should  
   be revoked under Section 73(2)

---

**DECISION**

1.     An Official letter dated xxxxxxxx explained that the above UK patent appeared to be for the same invention as European patent (UK) xxxxxxx, and that revocation of the UK Patent under Section 73(2) might therefore be necessary.
2.     The proprietor submitted proposals for amendment of the specification, which are allowable under Section 76.
3.     I am satisfied that the proposed amendments prevent there from being two patents in respect of the same invention. I therefore allow the specification to be amended as proposed, and make no order for revocation of the UK patent.
