Dear Sirs

Patent Number: [Patent Number] [Proprietor]

Amendment of the specification of a patent under Section 73(x) of the Patents Act 1977

I am pleased to inform you that your proposed amendments are allowable under section 73[x].

I am now in the process of preparing a C specification and write to request that you provide a newly typed specification, incorporating all the amendments. These pages will then be used for publishing purposes and will clearly show the specification in its finally amended form.

Yours faithfully
