

# EMPLOYMENT TRIBUNALS

**Claimant:** Miss K Mills

**Respondents:**

1. The B1 UK Ltd
2. Mrs Jenny Gilchrist
3. Mr Steve Gilchrist

## JUDGMENT

The claim is struck out in its entirety against all respondents.

## REASONS

1. The claimant attended a preliminary hearing on 17 October 2017. Case management orders were made. They were confirmed in writing on 31 October 2017 (“the CMOs”).
2. Paragraphs 1 and 2 of Annex C to the CMOs required the claimant to take certain steps by 3 November 2017. She did not comply.
3. By a letter dated 30 November 2017 the Tribunal gave the claimant an opportunity to make representations (or to request a hearing to make those representations) as to why the claim should not be struck out for non-compliance with the CMOs. The claimant did not reply.
4. A fair hearing of the claim is not possible if a party ignores CMOs and does not reply to Tribunal correspondence. In accordance with the warning of 30 November 2017, therefore, the claim is struck out. The hearing on 21-23 May 2018 is cancelled.
